Osher at JHU tuition remission procedures for JHU retirees

JHU Retirees and their spouses or partners cannot register online.

1. Contact the Osher at JHU office at 410-516-9719. Tell the staff that you are a JHU retiree and interested in the tuition remission. Osher will ask for the last four digits of your Social Security number and your JHED ID.
2. Osher staff will confirm with HR Benefits that you are eligible for the remission and also send you the Tuition Remission form to complete and sign.
3. Return the tuition remission form with your registration for Osher membership and your selected classes. Retirees should include 50% of the membership fee with registration. Spouses/Partners include 75% of the membership fee. The remaining tuition will be remitted directly to Osher at JHU by the Benefits Service Center as part of the tuition remission program.
4. Osher at JHU will process your registration and send the tuition remission form to the appropriate benefits staff for processing.
