## Johns Hopkins Fertility Center at Green Spring Station

The Johns Hopkins Fertility Center is conveniently located at Green Spring Station in Lutherville, Maryland. On this campus, we have 3 buildings: 2 for patient care and a state-of-the-art embryology and andrology lab.

Our address is:

**10753 Falls Road, Suite 335  
Lutherville, Maryland 21093**

## Directions to the Johns Hopkins Fertility Center

### From the North:

- Take I-83 South to I-695.
- Go west toward Baltimore (far right lane) to exit 23B, Falls Road.
- Continue north on Falls Road to Green Spring Station, which begins at the corner of Falls Road and Joppa Road.
- Proceed to the second traffic light and turn right onto Station Drive.
- Continue to the stop sign. Pavilions I and II are directly in front of you.
- Turn left to Park in front of Pavilion II.

### From the South:

- Take I-83 North.
- Bear left, past the exits to the Beltway, until it becomes Falls Road (Rt.25).
- Proceed 1/2 mile to Green Spring Station, which begins at the corner of Falls Road and Joppa Road.
- Proceed to the second traffic light and turn right onto Station Drive.
- Continue to the stop sign and Pavilions I and II are directly in front of you.
- Turn left to Park in front of Pavilion II.
