

Schematic Report

Institution:

Johns Hopkins University School of Medicine

Course Name:

All courses

Academic Period 1, Graduation Year 2008

Aug	Sep	Oct	Nov	Dec	Jan	Feb	Mar	Apr	May	Jun	Jul
Physician And Society Year I											
Introduction to Clinical Medicine											
Molecules and Cells											
Immunology											
Developmental Biology											
Human Gross Anatomy											
Neuroscience Psychiatry											
Psychiatry and Behavioral Sciences											
Organ Systems											
Clinical Epidemiology											

Academic Period 2, Graduation Year 2007

Aug	Sep	Oct	Nov	Dec	Jan	Feb	Mar	Apr	May	Jun	Jul
Clinical Skills											
Clinico_Pathological Conference											
Human Pathophysiology											
Pathology											
Physician And Society Year 2											
Principles of Medical Pharmacology											
Basic Ambulatory Medicine Clerkship											
Basic Emergency Medicine Clerkship											
Basic Neurology Clerkship											
Basic Ophthalmology Clerkship											
Basic Pediatric Clerkship											
Basic Psychiatry Clerkship											
Basic Surgery Clerkship											

Academic Period 3, Graduation Year 2006

Aug	Sep	Oct	Nov	Dec	Jan	Feb	Mar	Apr	May	Jun	Jul
-----	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----

Basic Ambulatory Medicine Clerkship
Basic Neurology Clerkship
Basic Surgery Clerkship
Basic Emergency Medicine Clerkship
Basic Medicine Clerkship
Basic Ophthalmology Clerkship
Basic Pediatric Clerkship
Basic Psychiatry Clerkship
Physician And Society Year 3 & 4
Clinico_Pathological Conference

Academic Period 4, Graduation Year 2005

Aug	Sep	Oct	Nov	Dec	Jan	Feb	Mar	Apr	May	Jun	Jul
Basic Ophthalmology Clerkship											
Physician And Society Year 3 & 4											
Basic Emergency Medicine Clerkship											
Basic Neurology Clerkship											
Basic Psychiatry Clerkship											
Basic Surgery Clerkship											
Basic Ambulatory Medicine Clerkship											
Rational Therapeutics											
Clinico_Pathological Conference											

The schematic does not represent an actual academic calendar. It is intended to provide only an abstraction of the required curriculum, showing approximate sequencing of, and relationships between, required courses and clerkships for the graduating class & academic years specified.

If no records of required Courses/Clerkships show for an academic year, either there are none required in that academic year, or the medical school has not entered this information for the selected graduating class.
