Craig Hendrix, Division of Clinical Pharmacology, has been honored by the American Society for Clinical Pharmacology and Therapeutics (ASCPT) as the July Member of the Month—a forum to recognize and thank a member of ASCPT who has supported the Society's endeavors. Each month ASCPT highlights ONE member who has gone above and beyond the call of duty. Dr. Hendrix also serves ASCPT as Chair of the Infectious Diseases and Antimicrobial Agents (INF) Section and as a member of the Leadership Committee for the Coordinating Committee on Scientific Sections.

Mark Donowitz, Division of Gastroenterology, has been selected as the 2007 Davenport lecturer by the American Physiological Society, specifically GI and Liver section; this is a well deserved award recognizing his outstanding history of scientific discovery and career achievement.

Clifton Bingham, Division of Rheumatology, received an RO3 grant from the National Institute of Dental & Craniofacial Research, entitled "Periodontal Assessment in RA Study (PARAS)"

Title: Short-Term Training Program to Increase Diversity in Health-Related Research
Project Period: 07/01/2006 - 05/31/2008

Rachel Chong, Division of Endocrinology and Metabolism, received a K23 grant from National Institute on Alcohol Abuse and Alcoholism, entitled "Cortisol, Endogenous Opioids, and Alcoholism"

Project Period: 08/01/2006 - 07/31/2011
Amount: Direct Costs \$779,588

MESSAGE FROM THE CHAIR is brought to you from the Office of the Chair at the Johns Hopkins Department of Medicine. If you have news you would like to share with the department or have a recent award or honor to announce, please complete the online [NOTICE FORM](#).
