Subject : FY 2012 Student Health Program Rates

As a result of redesigning the Student Health Program in FY 11, the program now includes two separate components: the insurance plan and the University Health Fee. Listed below is the schedule of monthly and annual premium rates for the Student Health Program effective July 1, 2011. The premiums will be held at the FY 11 rate. Adjustments may be necessary due to volatility related to recent health care reform. Further investigation is underway to determine the impact on the student health plan. Also, listed below is the FY 12 University Health Fee rate effective July 1, 2011. The UHS health fee will be held at the FY 11 rate.

Type	Annual			COBRA		
	Premium	Health Fee	TOTAL	Premium	Health Fee	TOTAL
Individual	\$3,072	\$450	\$3,522	\$3132	\$0	\$3,132
Two-Party	7,590	\$450	8,040	7,740	0	7,740
Family	10,140	\$450	10,590	10,344	0	10,344

The health fee does not apply to COBRA members as they will be billed through EHP for all services rendered at the UHS clinic.

The health fee applies to primary subscribers.
