

**CA-3 Research/Elective Proposal**

<b>Resident:</b>
<b>Rotation:</b> _____ Research (_____ months) _____ Acting Fellowship (_____ months) _____ Elective/Away rotation (1 month)
<b>Project/Elective Title:</b>
<b>Description:</b> (Include at least one paragraph describing the proposed elective and its contribution to your educational and career goals. Clearly state your responsibilities for each month, i.e. direct patient care, observation, teaching, research. If not at a JHH site, you must state why the equivalent experience is not available here. A formal research proposal must accompany this worksheet for research electives. Additional page/pages may be attached.)
