

CURRICULUM VITAE

Nauder Faraday, M.D. Associate Professor, Anesthesiology/CCM Co-Director, Cardiac Surgical Intensive Care Unit

The Johns Hopkins University, School of Medicine
600 N. Wolfe Street, Meyer 298
Baltimore, Maryland 21287

Education:

9/80 - 5/84	B.A.	Columbia College, Columbia University New York, New York
8/84 - 5/88	M.D.	Mount Sinai School of Medicine, CUNY New York, New York

Post-Graduate Training:

6/88 - 6/89	Internship	Hospital of St. Raphael - Yale University New Haven, CT Residency Director: Phillip J. Noto, M.D.
7/89 - 6/92	Residency Anesthesiology	The Johns Hopkins Hospital Department of Anesthesiology/Critical Care Medicine Baltimore, MD Residency Director: Robert L. Stevenson, M.D.
7/92 - 6/93	Fellowship Critical Care Medicine	The Johns Hopkins Hospital Department of Anesthesiology/Critical Care Medicine Baltimore, MD Fellowship Director: Michael J. Breslow, M.D.
9/93- 5/94	Fellowship Cardiac Anesthesia	The Johns Hopkins Hospital Dept of Anesthesiology/Critical Care Medicine Baltimore, MD Fellowship Director: Daniel Nyhan, M.D.

Academic Positions:

10/01-	Associate Professor	Johns Hopkins University School of Medicine Departments of Anesthesiology/Critical Care Medicine and Surgery Baltimore, MD
11/93 - 10/01	Assistant Professor	Johns Hopkins University School of Medicine Department of Anesthesiology/Critical Care Medicine Baltimore, MD

Academic Positions (con't):

7/93 - 10/93	Instructor	Johns Hopkins University School of Medicine Department of Anesthesiology/Critical Care Medicine Baltimore, MD
7/92 - 6/93	Assistant	Johns Hopkins University School of Medicine Department of Anesthesiology/Critical Care Medicine Baltimore, MD
4/92 - 4/93	Chief Resident	Johns Hopkins University School of Medicine Department of Anesthesiology/Critical Care Medicine Baltimore, MD

Professional Licensure:

Diplomate, National Board of Medical Examiners (1989)
Diplomate, American Board of Anesthesiology (1993)
Diplomate, Subspecialty in Critical Care Medicine (1993)
Maryland State Medical License (1992)

Research:

2004-	Director	Perioperative Genomic Research Department of Anesthesiology and Critical Care Medicine Johns Hopkins University School of Medicine Aims: Identify genetic determinants of complications after surgery
1999 -	Director	Perioperative Hemostasis and Thrombosis Laboratory Department of Anesthesiology and Critical Care Medicine Johns Hopkins University School of Medicine Aims: Investigation of the molecular, biochemical, and cellular basis of perioperative thrombotic and bleeding complications
1996 - 1999	Co-Director	Perioperative Research Center Department of Anesthesiology and Critical Care Medicine Johns Hopkins University School of Medicine
1992 - 1995	Research Fellow	Johns Hopkins University School of Medicine Department of Medicine- Divisions of Hematology and Cardiology Research Directors: Paul F. Bray, M.D. and Pascal Goldschmidt-Clermont, MD Subject: Molecular, biochemical, and cellular biology of platelet Function

Research (con't)

1991 - 1994 Research Associate Johns Hopkins University School of Medicine
Department of Anesthesiology and Critical Care Medicine
Research Director: Brian A. Rosenfeld, M.D.
Subject: Perioperative alterations in hemostasis

1985 - 1988 Research Assistant Mt. Sinai School of Medicine
Department of Psychiatry
Research Director: Steven E. Keller, Ph.D.

1982 - 1984 Research Assistant Columbia University
Department of Psychology
Research Director: Nori Geary, Ph.D.

Active Grant Support:

NIH/NHLBI

Grant#: 5U01HL07219102 (PI: P. Ness)
Title: TMH-Transfusion Medicine Hemostasis (Clinical Trials Network)
Role: Co-Investigator- 5% Effort
Annual Direct Cost (salary only): \$269,981 (09/01/02- 08/31/07)

NIH/NIGMS

Grant#: U01 GM074518 (PI: A. Shuldiner)
Title: Pharmacogenomics of anti-platelet agents for CVD prevention
Role: Co-Investigator- 12% Effort
Annual Direct Cost: \$965,142
Total Direct Cost: \$5,345,075

Completed Grant Support

NIH/NHLBI

Grant#: 1U01 HL72518-01 (PI: L. Becker)
Title: Genotypic determinants of aspirin response in high risk families
Role: Co-Investigator- 40% Effort
Annual Direct Cost: \$1,502,935
Total Direct Cost: \$8,172,469 (10/1/02-9/30/06)

NIH/NHLBI

Grant#: 1R01HL69746-01 (PI: G. Green)
Title: Coronary thrombosis and risk in the Emergency Department
Role: Co-Investigator- 5% Effort (9/01-8/04)

Completed Grant Support (con't)

NIH/NHLBI, Clinician Scientist Investigator Award

Grant #: 1 K08 HL03454-01A1

Title: Examination of gender differences in GPIIb-IIIa function

Role: Principal Investigator- 75% Effort

Annual Direct Cost: \$86,130 (9/96-8/99), \$111,130 (adjusted 9/99-8/01)

Total Direct Cost: \$481,460 (9/96-8/01)

Xylum Corporation

Title: Relationship between whole blood hemostatometry and clinical hemostasis in cardiac surgery

Role: Principal Investigator- 10% effort

Annual Direct Cost: \$50,000

Curriculum Vitae

Nauder Faraday, M.D.

Page Four

Merck Pharmaceutical

Title: Platelet activation in women with acute coronary syndromes: Response to GPIIb-IIIa inhibition. (S. Schulman PI)

Role: Co-Investigator

American Heart Association #0160347U

Title: Platelet polymorphisms and cardiovascular outcome in vascular surgical patients

Role: Principal Investigator- 13% Effort

Annual Direct Cost: \$60,000 (7/01-6/02)

Total Direct Cost: \$120,000 (7/01-6/03)

Research Trainees

Elizabeth Martinez, MD

Valerie Sera, MD

Ala Haddadin, MD

Robert Scharpf, MS

Kelly Chiles, MS

Elena Blasco-Colmenares, MD

Craig Morrell, DVM

Professional Organizations:

American Society of Anesthesiologists

International Anesthesia Research Society

Society of Cardiovascular Anesthesiologists

Society of Critical Care Medicine

American Medical Association

Alpha Omega Alpha Honor Society

Curriculum Vitae

Nauder Faraday, M.D.

Page Five

Honors/Awards:

Alpha Omega Alpha - 1988
Upjohn Achievement Award for Clinical Excellence – 1988
Association of University Anesthetists- 2002
Association of Cardiac Anesthesiologists- 2003

Peer Review Editorial Work

2005 Associate Editor: *Anesthesiology*
2005 NIH/HNLBI Special Emphasis Panel: SCCOR in Hemostatic and Thrombotic Diseases
Ad hoc reviewer: *Circulation, American Journal of Physiology, Thrombosis and Haemostasis, Stroke, Blood, Thrombosis Research, Journal of Cellular and Molecular Medicine*

Committees and Administrative Service

1994-2004 Co-Director Cardiac Surgical ICU
1995-2004 Director, Division of CSICU and member Anesthesia Department Service Executive Committee
1997- Critical Care Committee
1998- CPR Committee, Chair
1998- Medical Care Evaluation Committee
1999- Anesthesia Department Clinical Research Review Committee
1999- Risk Management ad hoc committees, root cause analysis teams, transportation protocol committee- chair

Teaching

1992- Johns Hopkins University, Department of Anesthesiology
Lecturer, Anesthesia Resident Lecture Series
1993- Johns Hopkins University School of Medicine
Lecturer, Medical Student Anesthesiology Clinical Clerkship
1994- Johns Hopkins University, Department of Anesthesiology
Lecturer, Cardiac Anesthesia Lecture Series
1994- Johns Hopkins University, Department of Surgery
Cardiac Surgical Intensive Care Resident Education Program
1997 - Johns Hopkins University Perioperative Management Course (biannual course)
Complications of Cardiopulmonary Bypass
Perioperative Management of the Patient on Aspirin and Coumadin
Perioperative Renal Complications
The preoperative patient with a pacemaker or AICD
Postoperative DVT and PE: Prophylaxis and Treatment
2000- Co-Director, Johns Hopkins University Perioperative Management Course
2005- Director, Johns Hopkins University Perioperative Management Course

Visiting Professorships/Invited Lectures:

3/97	University of Pennsylvania, Department of Anesthesiology Hematologic Complications of Cardiopulmonary Bypass
5/98	Society of Cardiovascular Anesthesiologists Annual Meeting Update on CPB- New Antithrombotic Agents: Pharmacology and Implications for the Management of Cardiac Surgical Patients
6/01	Johns Hopkins University, Department of Anesthesiology Grand Rounds "Platelet genes and cardiovascular outcome in vascular surgery"
8/01	Johns Hopkins University, Department of Medicine/Hematology Grand Rounds "Platelet genes and cardiovascular outcome in vascular surgery"
10/01	American Society of Cardiovascular Anesthesiologists Annual Meeting "Platelet genes and cardiovascular outcome"
5/02	John Hopkins University, Department of Anesthesiology Research Conference "Influence of leukocytes on platelet function"
10/02	American Society of Cardiovascular Anesthesiologists Annual Meeting "Genetic determinants of perioperative myocardial ischemia"
11/02	Duke University, Dept of Anesthesiology Research Conference "Platelet polymorphisms as risk factors for perioperative myocardial ischemia"
5/03	Society of Cardiovascular Anesthesiologists Annual Meeting "Platelet polymorphisms and cardiovascular risk in vascular surgery"
4/05	Johns Hopkins University, Neurosciences Critical Care Grand Rounds "Prevalence and Risk Factors for Aspirin Resistance"
5/06	Johns Hopkins University, Hematology Grand Rounds "Variability in Platelet Aspirin Responsiveness"
6/06	Johns Hopkins University, Pathology Grand Rounds "Variability in Platelet Aspirin Responsiveness"
