

Johns Hopkins University

Invites you to

Laboratory Animal Nutrition: Research Implications

Thursday, March 2nd
Phipps Building Room 340, 600 N. Wolfe Street
Supported by Harlan Teklad

- 9:00 a.m. Complimentary Continental Breakfast Sponsored by Harlan
- 9:30 a.m. **Welcome/Introduction**
Julie Watson, MA, VetMB, DACLAM, Johns Hopkins University
- 9:40 a.m. **Factors in the Selection of Diets for Research**
Graham Tobin, PhD, Harlan Teklad Europe
- 10:25 a.m. **The Use of Purified Diets in Biomedical Research**
Chuck E. Benton, PhD, Harlan Teklad
- 11:25 a.m. Break
- 11:40 a.m. **Non-Nutrients in Laboratory Diets That May Affect Your Research**
Graham Tobin, PhD, Harlan Teklad Europe
- 12:40 p.m. Complimentary Lunch Sponsored by Harlan
- 1:40 p.m. **Nutritional Issues in Primate Research**
Joseph W. Kemnitz, PhD, Wisconsin National Primate Research Center
- 2:40 p.m. Break
- 2:55 p.m. **Feeding Poorly Performing Mouse Strains**
Chuck E. Benton, PhD, Harlan Teklad
- 3:40 p.m. **Diet - Microbial Control**
Robert J. Russell, DVM, Harlan
- 4:40 p.m. Panel Discussion

PLEASE RSVP by e-mail to acuc@jhmi.edu. You will receive directions and parking options.
For further information please contact Kinta Diven at (443) 287-3743.

Seminar Co-Sponsors:

JHU Research Animal Resources:
Christian E. Newcomer, VMD; Julie Watson, MA, VetMB, DACLAM
JHU Office of the Animal Care and Use Committee:
Nelson L. Garnett, DVM, DACLAM; Ms. Kinta Diven
Harlan Teklad:
Terry Burns-Heffner, Harlan Teklad National Sales Manager;
Jim Cole, Harlan Regional Sales Manager
