

LADDERS IN NURSING CAREERS (LINC – II)

Program Requirements:

- Continue to meet job performance requirements (may not have written discipline for job performance or attendance management).
- Adhere to unit scheduling guidelines including, but not limited to request for PTO, availability or on-call, and holiday guidelines.
- Carry 12 credits each semester during the academic year.
- Submit Tuition Advancement forms and registered courses at the beginning of each semester and a grade report at the end of each semester.
- Notify program coordinator of any changes in program status; failure to do so may result in your dismissal and default from the program.
- Achieve a minimum grade of (C) in all courses.
- Graduate from the program within 4 semesters of matriculation.
- Work 24 hours/week at your current pay rate to attend school.
- During the last semester and prior to graduation participants must contact Nurse Recruitment and the LINC coach to begin the application process for nursing positions within JHH.

Upon Graduation from Nursing School, LINC candidates must:

- Sit for the NCLE-X examination within 60 days of graduation.
- Resume work full time immediately upon graduation.
- Fulfill service commitment up to three years.
- Maintain full time status throughout the employment service commitment
