

**CURRICULUM VITAE FOR ACADEMIC PROMOTION
The Johns Hopkins University School of Medicine**

James A. Fauerbach, Ph.D.

23 February 2006
(Date of this Version)

DEMOGRAPHIC INFORMATION

Current Appointments:

Associate Professor The Johns Hopkins University School of Medicine Department of Psychiatry and Behavioral Sciences (primary), and Department of Physical Medicine and Rehabilitation (2004 – present)	2002 - Present
Chief Psychologist Baltimore Regional Burn Center, and the Department of Medicine, Cardiology Division The Johns Hopkins Bayview Medical Center	1991 - Present
Chief Psychologist Johns Hopkins Pediatric Burn Center The Johns Hopkins Hospital	2004 - Present
Chief Psychologist, Director of Training in Cognitive Behavioral Therapy Anxiety Disorders Clinic The Johns Hopkins Hospital	2004 - Present

Personal Data:

C/O Johns Hopkins Center, Johns Hopkins Bayview Medical Center
4940 Eastern Avenue; Baltimore, Maryland 21224
Phone(410) 550 – 0894; Fax (410) 550 - 8161
E-mail: JFAUERBA@JHMI.EDU

Education and Training:

Bachelors of Arts / 1981	Catholic University of America	Psychology
Masters in Education / 1984	Temple University	Counseling Psychology
Pre-Doctoral Internship / 1989	Coatesville VAMC	APA-approved
Doctor of Philosophy / 1991	Temple University	Counseling Psychology (APA-approved)

Professional Experience:

1995 - 2002

The Johns Hopkins University School of Medicine
Department of Psychiatry and Behavioral Sciences

Assistant Professor

1991 - 1995

The Johns Hopkins University School of Medicine
Department of Psychiatry and Behavioral Sciences

Instructor

1987 - 1992

Temple University
Agoraphobia and Anxiety Program
Bala Cynwyd, PA.

Psychologist

1990 - 1991

University of Pennsylvania
Center for Psychotherapy Research,
Philadelphia, PA.

Research Assistant

Role: Co-I. PIs: Ellen J. MacKenzie, PhD and Stephen Wegener, PhD.

Augmented Exercise Intervention Study: Supporting Participation (131-00130-3865793). Johns Hopkins Burn Center Community Fund Grant. 7/2000 - 6/2007. \$30,000/year, James A. Fauerbach, Ph.D. Principal Investigator.

Center for Mind-Body Research. (1 R21 NS048593-01). July 1, 2004; Office of Behavioral and Social Sciences Research; P.I. Jennifer Haythornthwaite, Ph.D.; Investigator, J.A. Fauerbach, Ph.D.

Improving Pain Management and Functional Outcomes Among Patients with Burn Injuries Through the Use of Immersive Virtual Reality. Baltimore Metropolitan Firefighters Grant. Co-Investigator. 8/2005 - 7/2006. \$34,690.

Improving Pain Management and Functional Outcomes Among Patients with Burn Injuries Through the Use of Immersive Virtual Reality. Johns Hopkins Blaustein Pain Treatment Center Grant. Co-Investigator. 8/2005 - 7/2006. \$25,200.

The Development and Implementation of a Cognitive-Behavioral Treatment Protocol for Body Image Distress in Burn Survivors. Johns Hopkins Burn Center Community Fund Grant. Co-Investigator. 7/2005 - 6/2006. \$15,000.

Previous Grants:

Johns Hopkins University Burn Injury Rehabilitation Model System (H133A70025); U.S. Department of Education, National Institute on Disability and Rehabilitation Research; 1 October 1997 to 30 September 2002; \$294,000/year X 5 years, James A. Fauerbach, Ph.D. Principal Investigator 45%.

Heart rate variability, urinary free cortisol and catecholamine responses to clinical depression and subclinical depressive symptoms in patients recovering from acute myocardial infarction; July 2000; The Dana Foundation; \$100,000; Co-Investigator 20%; PI - David Bush, M.D.

Assessing and treating social stigmatization of burn scarred children; The International Association of Firefighters - Burn Foundation; \$35,000/ year for 1st year, \$25,000 for 2nd year; Co-Investigator 10%; Principal Investigator, John W. Lawrence, Ph.D.

Psychological Recovery From Burn Trauma: A Randomized Trial of Two Coping Methods; International Association of Firefighters - Burn Foundation. 1 April 1996 - 31 March 1999; James A. Fauerbach, Ph.D. Principal Investigator, 20%.

Interdisciplinary Management of Burn Pain; Fetzer Institute. Funded 1 July 1995. Co-Investigator 12%; Jennifer Haythornthwaite, Ph.D. Principal Investigator.

Adult Post Burn Psychosocial Adjustment; International Association for Fire Fighters - Burn Foundation. 1992 to 1994; James A. Fauerbach, Ph.D., Principal Investigator, 20%.

Previous Contracts:

White Paper: Technical Report on the State of the Science in Burn Injury Rehabilitation. National Institute on Disability and Rehabilitation Research - To assist NIDRR in developing their Long Range Plan for research funding, and in determining the future direction of their model systems funding mechanism. (\$5,000); PI / Senior Author J.A. Fauerbach.

Evidence Report On Post-Myocardial Infarction Depression. (Contract No. 290-02-0018). December 15, 2003; Agency for Healthcare Research and Quality in the U.S. Department of Health and Human Services (\$250,000). Investigators: David E. Bush, MD, Roy C. Ziegelstein, MD, Eric B. Bass, MD, MPH, Una McCann, MD, James Fauerbach, PhD, Kerry Stewart, ED, Daniel Ford, MD.

The Sertraline Antidepressant Heart Attack Trial (SADHART); The Pfizer Corporation; Total direct costs unknown; local co-investigator for multi-site trial (\$25,000); PI – Glassman, M.D., Columbia University.

EDUCATIONAL ACTIVITIES

Classroom Teaching:

Johns Hopkins University School of Medicine, Department of Psychiatry Research Seminar, (Prof. Margolis), 2000. Invited lecturer on Coping with Posttraumatic Distress and Body Image Dissatisfaction.

Johns Hopkins Bloomberg School of Public Health, Injury Research Center (Prof. Ellen McKenzie), 2004. Invited lecture on Coping with Posttraumatic Distress and Body Image Dissatisfaction.

Johns Hopkins University School of Medicine, Behavioral Medicine Seminar, (Prof. Haythornthwaite), 2003. Invited lecture on Etiologic Factors Related to Acute and Chronic Posttraumatic Stress Disorders.

Johns Hopkins University, Homewood Campus, Introduction to Behavioral Medicine, (Prof. Haythornthwaite), 1997 - 2001. Annual invited lecture on Depression and Coronary Artery Disease.

Johns Hopkins University, Good Samaritan Hospital, Department of Physical Medicine and Rehabilitation. (Prof. DeLateur), 2003. Invited lecture providing an update on research

James A. Fauerbach, Ph.D.

Page 10

conducted by the Johns Hopkins University - Burn Injury Rehabilitation Model System.

Johns Hopkins University School of Medicine, Medical Psychology Seminar, (Prof. Brandt), 1993, 1995, 1996, 1997, 1999, 2001, 2003, 2004. Invited lecture on Psychological Aspects of Burn Trauma, Posttraumatic Stress Disorder, Depression and Coronary Artery Disease

Johns Hopkins University School of Medicine, Behavioral Medicine at Bayview Seminar, (Prof. Bigelow), 1998, 2000. Invited lecture on Post Traumatic Stress Disorder, Depression and Coronary Artery Disease

Clinical Instruction:

Anxiety Disorders Clinic at Johns Hopkins Hospital; Director of Cognitive-Behavioral Therapy Training, Core Faculty – providing didactics, training and supervision in cognitive behavioral therapy assessment and interventions to psychiatry residents.

Johns Hopkins University School of Medicine, Department of Psychiatry - Consult-Liaison Resident Seminar, (Prof. Clark), 2001 - present. Invited lecturer on Psychological and Psychiatric Issues and Their Management in the Burn Center.

Burn Injury Rehabilitation Outreach Training Program, 1999, 2000. Training home health providers in psychological aspects of burn and trauma, part of the Johns Hopkins University Burn Injury Rehabilitation Model System.

CME Instruction:

Johns Hopkins University School of Medicine, Office of Continuing Medical Education (co-chair). 2001. Funded by an unrestricted Pfizer Pharmaceutical Corporation grant, served as co-chair on panel of international experts to develop a high quality slide presentation for use by a national speaker's board in educating health care professionals regarding the assessment and treatment of acute stress disorder and posttraumatic stress disorder following the 9/11/01 terrorist attacks in the US.

Mentoring:

Post-Doctoral Fellows:

Gina Magyar-Russell, Ph.D., 2005 - 2007. Post-doctoral fellow Johns Hopkins University School of Medicine under Dr. Fauerbach's supervision in clinical health psychology and behavioral medicine.

Brett Thombs, Ph.D., 2004 - 2005. Currently, Assistant Professor, Department of Psychiatry and Behavioral Sciences, Johns Hopkins School of Medicine beginning 1 July 2005. Previously, post-doctoral fellow Johns Hopkins University School of Medicine under Dr. Fauerbach's supervision in clinical health psychology and behavioral medicine.

Michael P. Hayes, Ph.D., 2004 - 2005. Engaged in rural private practice having completed a post-doctoral fellowship at Johns Hopkins University School of Medicine under Dr. Fauerbach's supervision in clinical health psychology and behavioral medicine.

Joshua Fogel, Ph.D., 2003 - 2004. Currently, Assistant Professor of Business and Behavioral Sciences in the Department of Economics at Brooklyn College, City University of New York. Previously, post-doctoral fellow Johns Hopkins University School of Medicine under Dr. Fauerbach's supervision in clinical health psychology and behavioral medicine.

Monica Neel, Psy.D. 2002 - 2004. Currently, in private practice in Towson, MD, and, adjunct teaching faculty at Loyola University, Baltimore, Department of Psychology. Previously, post-doctoral fellow Johns Hopkins University School of Medicine under Dr. Fauerbach's supervision in clinical health psychology and behavioral medicine. Prior to that she served a pre-doctoral externship (10 hours/week) with Dr. Fauerbach while a psychology intern at the Department of Veterans Affairs, Maryland Health Care System, Perry Point, MD.

Deborah Palombo, Ph.D., 1997 – 1998; Currently licensed clinical psychologist in New York. Post-doctoral training in behavioral medicine and substance abuse treatment/research under Professor George Bigelow's NIDA post-doctoral research training grant.

John W. Lawrence, Ph.D., 1995 – 2002. Initially Post-doctoral training in behavioral medicine, then promoted through Instructor and Assistant Professor of Psychiatry at Johns Hopkins University School of Medicine. Currently Associate Professor in the Department of Psychology, Staten Island College, City University of New York.

Study Coordinators:

Melissa Bresnick, B.A., 2005 – 2007 – Current JHU-BIRMS study coordinator.

Melissa Price, B.A., 2004 – 2005. Currently, medical student, University of Pittsburgh Medical School. Previously, post-baccalaureate, pre-med major served as JHU-BIRMS study coordinator.

Kim Reiss, B.A., 2003 - 2004. Currently, medical student, Penn State Medical School. Previously, post-baccalaureate, pre-med major served as JHU-BIRMS study coordinator.

Amy Lowe, B.A., 2002 - 2003. Post-baccalaureate, pre-med major served as study coordinator until entering University of Maryland Medical School in 2003.

Jennifer Smith, B.A., 2000-2001. Post-baccalaureate pre-med major served as JHU-BIRMS study coordinator until entering Yale University School of Medicine in fall of 2001.

Maria Mauratides, Psy.D. 1999 – 2000. Currently, pre-doctoral intern at Yale-New Haven School of Medicine. Pre-doctoral practicum (10 hours/week).

James A. Fauerbach, Ph.D.
Page 12

Steve Shapiro, Ph.D., 1999 – 2001. Currently, licensed psychologist in Maryland, and Director of Mobile Treatment Unit in Johns Hopkins Bayview Medical Center's Community Psychiatry Program. Pre-doctoral practicum (10 hours/week).

Jessica Coulburn, B.A. Former study coordinator, currently, Resident in Internal Medicine, Johns Hopkins Bayview Medical Center of Johns Hopkins Medical Institutions after graduating from University of Pittsburgh Medical School.

Amy G. Bryant, B.A., 1998 - 2000. Post-baccalaureate, pre-med major served for 2 years as JHU-BIRMS study coordinator until entering Johns Hopkins University School of Medicine in fall of 2000.

Sandra Stevens, M.D., 1997 - 1998. Post-baccalaureate, pre-med major served as study coordinator until entering University of Maryland medical school from which she graduated in 2001 and entered a residency in emergency medicine in Maine.

Daniel Richter, M.D., 1995 - 1996. Post-baccalaureate, pre-med major served as study coordinator until entering Cornell University Medical School from which he graduated in 2000, he has recently completed Columbia University's psychiatry residency training program and accepted a faculty position with them.

Editorial Activities:

Psychosocial Section Editor – 2004 to Present: *Journal of Burn Care & Rehabilitation*.

Ad Hoc Manuscript Reviewer 1997 to Present: *Journal of Consulting and Clinical Psychology*; *Journal of Traumatic Stress*; *Health Psychology*; *Journal of Nervous and Mental Disease*; *Anxiety, Stress, And Coping: An International Journal*; *Journal of Burn Care & Rehabilitation*; *Burns*; *Journal of Behavioral Medicine*

CLINICAL ACTIVITIES

Certification

Licensed Clinical Psychologist; December, 1993; Maryland License #2939

Service Responsibilities:

Chief Psychologist, Burn Trauma Service and, Cardiology Division at Johns Hopkins Bayview Medical Center; Provide consultation / evaluation and intervention to inpatients and outpatients with burn injuries or cardiac conditions.

Anxiety Disorders Clinic at Johns Hopkins Hospital; Director of Cognitive-Behavioral Therapy

James A. Fauerbach, Ph.D.
Page 13

Training, Core Faculty, and, Chief Psychologist; Provide didactics, training and supervision in cognitive behavioral therapy assessment and interventions for psychiatry residents.

Chief Psychologist, Pediatric Burn Trauma Service at Johns Hopkins Hospital; Provide consultation / evaluation and intervention to pediatric inpatients and outpatients with burn injuries.

ORGANIZATIONAL ACTIVITIES

Diabetes and Stress Management, Johns Hopkins Bayview Medical Center. Monthly Patient Education lecture, 2000 to 2005.

Burn Center Progress Initiatives: ad hoc member, Johns Hopkins Bayview Medical Center, Committee, 2000 - present.

Patient Education Committee, member, Johns Hopkins Bayview Medical Center, 1998-1999.

Association for Behavioral and Cognitive Therapies (active member).

American Burn Association (active member).

Psychosocial Section Editor, Journal of Burn Care & Rehabilitation: 2004 – present.

Psychosocial Special Interest Group, Committee Member, 2000 to present.

Psychosocial Special Interest Group, Chairperson 1998 - 2000.

Rehabilitation Special Interest Group Committee Member, 1996 – 1997.

American Psychological Association (active member).

Division Memberships:

Rehabilitation Psychology (Div. 22).

Health Psychology (Div. 38)

International Society for Traumatic Stress Studies (active member)

Grant Peer Reviewer: U.S. Department of Education's Office of Special Education, National Institute on Disability and Rehabilitation Research competition: Traumatic Brain Injury Model Systems - Collaborative Grants. November, 2003.

Grant Peer Reviewer: U.S. Department of Education's Office of Special Education, National Institute on Disability and Rehabilitation Research competition: Field Initiated Research Program. April 12 – 14, 2004.

Grant Peer Reviewer: U.S. Department of Education's Office of Special Education, National Institute on Disability and Rehabilitation Research competition: Field Initiated Research Program. April 8 – 10, 2006.

RECOGNITION

Awards:

1997 American Heart Association's Ranking of the Top 10 Advances in Heart Disease and Stroke Research. Fauerbach JA, Ziegelstein, R.C., Sordo, S.S, Bush, D. Post Myocardial infarction depression predicts poor compliance with risk modifying recommendations. Moderated poster presented at the 1997 Annual Meeting of the American Heart Association, Florida.

1997 American Burn Association Clinical Research Award. Lawrence, J, Fauerbach JA, Eudell, E, Ware, L, Munster, A. Sleep disturbance following burn injury: A frequent yet understudied complication. *Journal of Burn Care & Rehabilitation*, 1998;19;480-486.

2000 American Burn Association Clinical Research Award. Patterson, D.R., Ptacek, J.T., Cromes, F., Fauerbach JA, Engrav, L. Describing and predicting adjustment and quality of life in burn survivors. *Journal of Burn Care & Rehabilitation* 2000; 21: 490-498.

2000 Resident Research Award; Maryland Chapter of the American College of Physicians. Romanelli, J., Fauerbach JA, Ziegelstein, R.C., Bush, D.E. Adherence and Depression in Elderly Patients with Coronary Artery Disease.

2003 American Burn Association Clinical Research Award. Lawrence, J.W., Fauerbach JA, Heinberg, L. Doctor, M. Visible versus Hidden Scars and Their Relation to Body Esteem. *Journal of Burn Care & Rehabilitation* 2004 Jan-Feb;25(1):25-32

2004 American Burn Association Clinical Research Award. Fauerbach JA, Lezotte, D., Cromes, G.F., Kowalske, K., de Lateur, B.J., Goodwin, C.W., Blakeney, P., Herndon, D.N., Wiechman, S., Patterson, D.R. Burden of Burn: A Norm-Based Inquiry into the Influence of Burn Size and Distress on Recovery of Physical and Psychosocial Function. *Journal of Burn Care & Rehabilitation*.

Invited National Addresses:

Fauerbach JA, Stoddard F. Session Chair: post-graduate course entitled: "Assessment and Management of Posttraumatic Stress". 2006 annual conference of the American Burn Association, Las Vegas NV.

Fauerbach JA, Esselman, P. "Measuring, Tracking and Improving Psychological and Social Outcomes Following Major Burn Injury". Invited panel presentation entitled NIDRR's SCI, TBI and Burn Model Systems of Care: Contributing to the Evidence Base for Medical Rehabilitation Science, Practice and Public Policy. Faculty: Mitchell Rosenthal, PhD (Chair). David Tulskey, PhD, Co-Chair. Burn Model Systems of Care: James Fauerbach, PhD, Peter Esselman, MD.

James A. Fauerbach, Ph.D.

Page 15

SCI Model Systems of Care: David Tulskey, PhD, David Gater, MD, PhD, TBI Model Systems of Care: Mitchell Rosenthal, PhD. Discussants: Ruth Brannon, MSPH, Robert Frank, PhD. Annual Conference of the American College of Rehabilitation Medicine. September 9-12, 2004: FL.

Fauerbach JA. Invited presentation to the National Institute on Disability and Rehabilitation Research' Model System Review Panel Meeting, an expert panel convened to critically review the Traumatic Brain Injury, Spinal Cord Injury and Burn Injury Model Systems and to develop a long range plan. Co-Chairs: Kristjan Ragnarsson, MD, Ruth Brannon, MSPH. March 18, 2004: Washington, D.C.

Fauerbach JA. Psychosocial Aspects of Hand Injury. Invited address for post-graduate course entitled The Challenge of the Burned Hand (P. Helm, MD & S. Fisher, MD, moderators), 1999 annual conference of the American Burn Association, Orlando, FL.

Fauerbach JA. Posttraumatic Stress Disorder Following Severe Burn Injury. Invited guest lecturer at the Psychosocial Special Interest Group 1996 annual meeting of the American Burn Association.

Fauerbach JA, Roca, R. Psychological Assessment of Burn Survivors. Paper presented to the American Burn Association and the National Institute for Disability and Rehabilitation Research National Consensus Forum for the Treatment and Rehabilitation of Severe Burn Injury, Wash. D.C., 1992.

Invited Papers:

Fauerbach JA, Esselman, P. Invited white paper to critically review the state of the science in burn injury rehabilitation to assist the National Institute on Disability and Rehabilitation Research in developing a long range plan and review model system funding mechanism.

OTHER PROFESSIONAL ACCOMPLISHMENTS
