

Mid-Atlantic Regional Meeting

“Leadership Across The General Internal Medicine Career Continuum.”

March 5th, 2010

New York University Medical Center, NYC

Who attends: medical students, internal medicine residents, fellows, junior and senior internal medicine faculty.

Content of conference: oral and poster presentations of research abstracts, clinical vignettes, skills workshops, and mentoring for all levels of attendees.

This is a great opportunity for students, residents, and fellows to present their research or a clinical vignette!

Cost: FREE for students, \$35 for residents and fellows!

Keynote speaker Dr. Steven Weinberger
