Intern A and B- alphabetical by last name

Interns should contact the GIM consult fellow via Pagerbox (www.pagerbox.com). Fellows have their own text pager. Consult pager- 3-4459

Each intern will be assigned to first call for procedures for 4 days. If a procedure is available, David Lichtman will page you. If you are not presenting or in teaching rounds, you can help with the procedure.

^a Communication- This exercise takes place starting at 8:00am in the **Sim Center which is located on the 8th floor of JHOC; if you take the elevators by the coffee shop, it is immediately on your right as you exit the elevators.** Please contact Pat Thomas with questions. Informed Consent lectures will take place with Mark Hughes in JHOC. Please page Mark for the exact location.

^b Noon conferences take place in the Cader Room

^{††} Intern Continuity Clinic begins in August

[†] Medicine Grand Rounds run from September to June

****** Consult attending teaching rounds should take place at least three times per week when the intern is not in continuity clinic. The meeting location will be decided by the team. The EBCP resident will present at the Friday session.

[^] Nurse Share Time (NST)- please arrange with the charge nurse to spend one afternoon (4pm-7pm) with a nurse on your home unit.

If there are questions or concerns, please feel free to page the consult service director, Lenny Feldman.
