

THE JOHNS HOPKINS UNIVERSITY SCHOOL OF MEDICINE
General Instructions

ADMISSION REQUIREMENTS: Requirements specific to each program are noted in The Johns Hopkins University School of Medicine Catalog and the graduate program website: <http://www.hopkinsmedicine.org/graduateprograms>. Unanswered questions can be resolved by contacting the program to which you are applying (see graduate program website).

TRANSFERS: Applicants desiring to transfer from another school must be in good standing at the school previously attended.

FINANCIAL AID: Inquiries concerning financial aid (U.S. Citizen and Permanent Resident) may be sent to: The Johns Hopkins University School of Medicine, Student Financial Aid Services, Reed Hall, 1620 McElderry St., Suite 427, Baltimore, MD 21205-1911, or telephone (410) 614-3450. E-mail: finaid@jhmi.edu

DEADLINE FOR APPLICATIONS: Applications and supporting documents must be submitted by the dates listed below:

December 8	Neuroscience
December 15	Biomedical Engineering
January 1	Cellular and Molecular Medicine
January 4	Program in Molecular Biophysics
January 10	Biochemistry, Cellular and Molecular Biology Biological Chemistry Cellular and Molecular Physiology Functional Anatomy and Evolution Human Genetics and Molecular Biology Immunology Pathobiology Pharmacology and Molecular Sciences
January 15	History of Science, Medicine, and Technology
February 1	Applied Health Sciences Informatics Health Sciences Informatics (supporting materials by 2/15)
February 21	Medical and Biological Illustration – (Art Portfolios and Applicant Profiles due January 15)

APPLICATION FEES: Application fees are non-refundable, and receipt is required before an application can be processed. The fee schedule is indicated below. You may pay the fee either by credit card at the time of application, or by check (U.S. bank) or money order (U.S. currency) payable to THE JOHNS HOPKINS UNIVERSITY. No other forms of payment are accepted. Paper applications are available upon request. Please be advised not all programs accept paper applications and the fees are higher than the online application. You may contact the Office of Graduate Student Affairs for the paper application and fee schedule: gradsoff@jhmi.edu

Fee schedule

\$ 40.00	Johns Hopkins University students (currently enrolled in a degree program) and current JHU employees <i>only</i>
\$ 85.00	1 program
\$100.00	2-3 programs
\$150.00	4 or more programs

ADDITIONAL INSTRUCTIONS FOR INTERNATIONAL APPLICANTS

1. The Program in Molecular Biophysics graduate program is solely supported by a NIH Training Grant for which only U.S. Citizens or Nationals and Permanent Residents are eligible.
2. The Biochemistry, Cellular and Molecular Biology graduate program requires International applicants to submit a pre-application. The pre-application may be found on the program website: <http://biolchem.bs.jhmi.edu/bcmb/application/preapplication.shtml>
3. Will you be able to arrive in August (July for BME) for the beginning of the academic year? ____ If not, when can you arrive and please explain the delay. _____

The Johns Hopkins University does not discriminate on the basis of race, color, gender, religion, age, sexual orientation, national or ethnic origin, disability, marital status or veteran status in any student program or activity administered by the University, or with regard to admission or employment. Defense Department policies regarding sexual orientation in ROTC programs conflict with this University policy. The University continues its ROTC program, but encourages a change in the Defense Department policy. Questions regarding Title VI, Title IX and Section 504 should be referred to the Office of Institutional Equity, Garland Hall 130, Telephone: (410) 516-8075, (TTY): (410) 516-6225.

JOHNS HOPKINS UNIVERSITY SCHOOL OF MEDICINE
General Instructions (cont.)

WHERE TO MAIL: Mail supplemental application materials to: **Johns Hopkins University School of Medicine, Office of Graduate Student Affairs, 1830 E. Monument Street, Suite 2-107, Baltimore, MD 21287.** If you are applying to **more than one** program, only **one** complete set of supporting materials is required. If transcripts are sent directly from the university and letters of recommendation are submitted online it is not necessary to send paper copies of supplemental materials.

Supplemental application materials and correspondence for the **Program in Molecular Biophysics** graduate program should be directed to the **PROGRAM ADDRESS LISTED BELOW.** If you are applying to **more than one** program, send **one** complete set of supporting materials to the Office of Graduate Student Affairs.

***SAMPLES OF WORK:** These programs require an applicant to submit a sample of work: **History of Science, Medicine & Technology** requires a **thesis, publication, writing sample, or term paper.** **Medical & Biological Illustration** requires an **Art Portfolio and Applicant Profile.** Mail samples of work directly to the program address listed below, and mail transcripts and letters of recommendation to the Office of Graduate Student Affairs (if letters are not submitted online).

History of Science, Medicine & Technology *
The Johns Hopkins University School of Medicine
Dept. of History, 1900 E. Monument St., Baltimore, MD 21205

Program in Molecular Biophysics
The Johns Hopkins University
3400 N. Charles St., Jenkins Hall, Baltimore, MD 21218

Medical & Biological Illustration *
The Johns Hopkins University School of Medicine
1830 E. Monument St., Suite 7000, Baltimore, MD 21287

TRANSCRIPTS: Official transcripts of certified records of *all* university (undergraduate and graduate) study must be submitted. **Please have your official transcript sent directly from your previous institution to Johns Hopkins University School of Medicine. Transcripts must be in a sealed university envelope.** If you have attended more than one institution, transcripts from each must be received. If information on your current courses is not included in your transcript, please send a list of your current courses, and courses to be taken before beginning graduate study. Please note that transcripts are not returnable.

LETTERS OF RECOMMENDATION: Please request letters of recommendation from faculty members or other professionals who are acquainted with you and your academic work. These letters should comment on your aptitude and promise for independent research. See list below for number of letters required by each program. **NO FORMS ARE REQUIRED FOR LETTERS OF RECOMMENDATION.**

GRADUATE RECORD EXAMINATION AND TEST OF ENGLISH AS A FOREIGN LANGUAGE: INSTITUTION CODE 5316 for Johns Hopkins University School of Medicine graduate programs. No Department Code is necessary. Scores reported to the wrong Institution Code may result in your application status being considered incomplete. Students should request that the results of the GRE and TOEFL test be sent directly to: **Institution Code 5316, Johns Hopkins University School of Medicine.** See list below for program-specific requirements. TOEFL or IELTS scores are required for all international students. You may submit your application without test scores and send the report when it becomes available.

ETS Personal Potential Index reports are not required. If you choose to send them please direct the reports to **Institution Code 5316.**

Medical College Admissions Test: MCAT scores are not required. If you plan to submit MCAT scores, please send a copy of the official results, including verification code, to the Johns Hopkins University, Office of Graduate Student Affairs (address listed above).

	Letters	GRE General	GRE Subject
Applied Health Sciences Informatics	3	Required*	Our programs do NOT require the GRE Subject tests. Nevertheless, applicants who have taken such tests are encouraged to submit their scores (<i>Biology</i> or <i>Geology</i> for Functional Anatomy & Evolution).
Biochemistry, Cellular & Molecular Biology	3	Required	
Biological Chemistry	2	Required	
Biomedical Engineering	3	Required or MCAT	
Cellular & Molecular Medicine	3	Required	
Cellular & Molecular Physiology	3	Required	
Functional Anatomy & Evolution	3	Required	<p><i>Notes:</i></p> <p>*Applied Health Sciences Informatics and Health Sciences Informatics programs require the GRE general test if applicants have less than five years of professional experience in a related field. Please review the program websites for a complete list of requirements.</p> <p>**Applicants to the Medical and Biological Illustration program must obtain a letter from faculty members in both Science and Art.</p>
Health Sciences Informatics	3	Required*	
History of Science, Medicine, & Technology	3	Required	
Human Genetics & Molecular Biology	2	Required or MCAT	
Immunology	2	Required or MCAT	
Medical & Biological Illustration	3**	Not Required	
Neuroscience	2	Required or MCAT	
Pathobiology	2	Required or MCAT	
Pharmacology	3	Required or MCAT	
Program in Molecular Biophysics	3	Required
