

Flu & RSV Safety

PLEASE

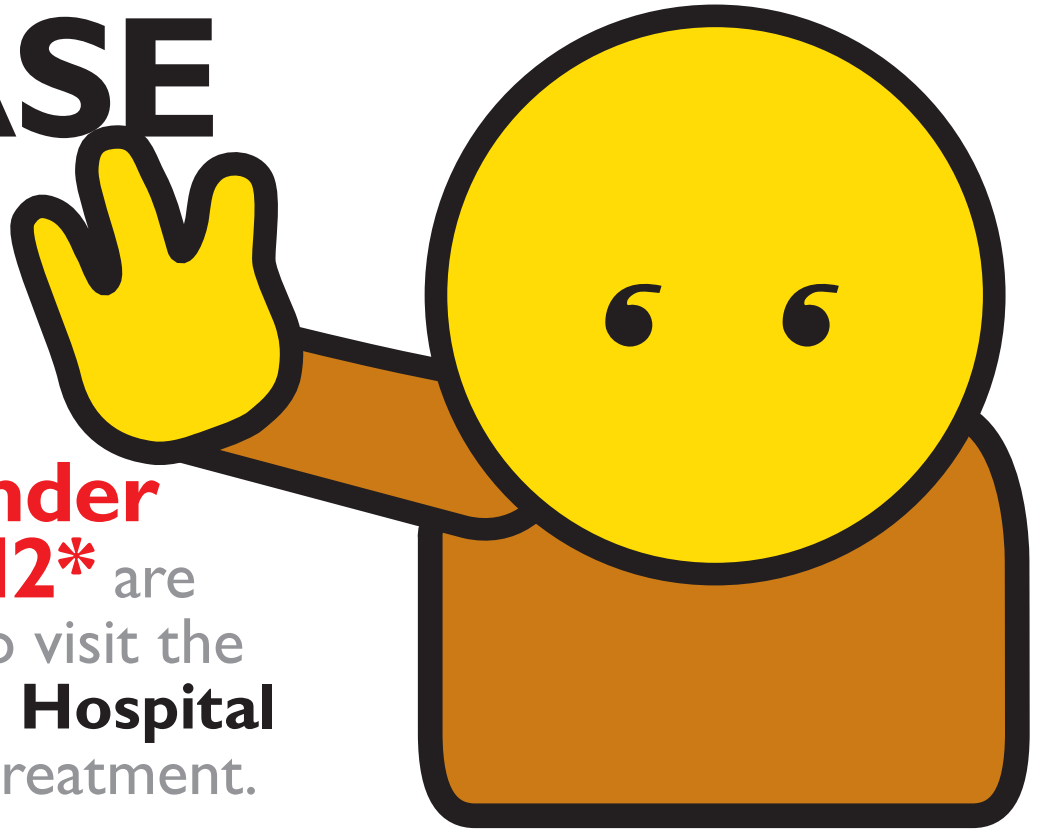

To protect our patients, visitors and staff, until further notice,

Children under the age of 12* are not permitted to visit the **Johns Hopkins Hospital** unless here for treatment.

Children under the age of 16* are not permitted to visit the **Children's Center** unless here for treatment.

Thank you for your understanding and cooperation

* For the safety of our patients and visitors, some units may have more stringent restrictions in place.

No one with a fever *and* either a cough, sneezing or sore throat may visit the hospital.

Please cover your cough/sneeze and clean your hands frequently.

Department of Hospital Epidemiology and Infection Control
