

Campus Fire Safety Month

Can you spot the fire hazards?

- 1 - Placing smoking materials or incense near flammable items (paper, clothing, etc)
- 2 - Overloading electrical outlets or powerstrips
- 3 - Covering lights with curtains or tapestries
- 4 - Lighting candles near flammable decorations
- 5 - Cooking in the dorm room
- 6 - Ironing on flammable surfaces
- 7 - Letting pizza boxes and other combustible materials pile up
