Clinical Associates

- Allied Health personnel have a minimum of six months to one year of experience.
- Certification, licensure and CPR are verified and tracked, where applicable.
- Staffing Coordinators are available around the clock to meet your staffing needs.
- Our employees are dedicated healthcare professionals committed to the highest standards of patient care.
- Intrastaff Allied Health personnel work in a variety of inpatient and outpatient settings.
- Employees are continuously evaluated to ensure they are meeting your needs.

You will work one on one with our Staffing Coordinator when requesting staff. Our Coordinator focuses on your specific needs, creating a sense of urgency to meet those needs and deliver results.

To request an allied health professional, dial (410) 583-2950 and press “1” and then “3” when the phone tree begins.
