

Employees of The Johns Hopkins Hospital and Health System who had a 2009 Flexible Spending Account (FSA) must remember to submit all eligible expenses for health and/or dependent FSAs by March 31. **Any funds left in your FSA will be forfeited**, so gather all receipts and complete the reimbursement form for any 2009 expenses as soon as possible. Remember, use all your funds for expenses incurred through December 31, 2009—they are not refunded to you or transferred to your 2010 account.
