

Declared Weather Emergency Pay for Management

The following bonus and additional pay for Management must be submitted on the pay submission worksheet to PayProblems@jhmi.edu:

1. Additional Straight Time: Management working in clinical or technical roles (not performing typical management duties), will be paid additional straight time (AST) for these hours.*
2. Driving Time: For the two recent snow emergencies, Management will receive AST for time spent driving.
3. Bonus Pay: Management will be paid the \$50 bonus pay per 24-hour period.

*Additional compensation is not provided for time spent performing management duties during a weather emergency. Providing leadership through difficult times is expected of Management, including working the hours necessary to ensure that the department continues to run safely and smoothly.
