

Open Enrollment JHHSC/JHH Employees October 27 – November 10

It's time, once again, for JHHSC/JHH employees to review benefit elections, make changes and update personal information. Open Enrollment for JHHSC/JHH will take place from Monday, Oct. 27, to Monday, Nov. 10, 2008. The enrollment Web site will make it easy for you to access your benefits either at home or on the job. In the enrollment site, you'll be able to review your current plan enrollments, read about key plan benefits and changes for 2009, see what the medical plan rates for 2009 will be, and complete your personal wellness profile (PWP). If you do not have computer access, there will be opportunities for you to sign up for benefits in the HR Service Center/Benefits Office. HR staff will also be available for assistance in the computer lab in the Phipps Building, room 404.

In addition to enrolling in benefits, you can earn benefit credits or cash by completing your personal wellness profile (PWP), formally known as the Health Risk Assessment or HRA. All JHHSC/JHH nonunion employees working 30 to 40 hours per week and weekend option nurses who complete the online PWP will receive \$520 in flex benefit credits during the 2009 plan year. All JHHSC/JHH nonunion employees working 20 to 29 hours per week and JHH union employees who complete the online PWP will receive \$75, less taxes, in their first paycheck in January. Remember, you can complete your PWP online or on paper in the HR Service Center/Benefits Office.

HR staff will be at various locations during Open Enrollment to answer questions and provide information. You can also call the dedicated Open Enrollment line at 410-955-6208, option 6, with any questions.
