

Services for JHU School of Medicine Post Doctoral Scholars

Faculty & Staff Assistance Program (FASAP) is designed to assist full-time and part-time faculty, staff and administrators, and their families cope with a variety of situations. FASAP offers a wide range of services including information, evaluation, crisis intervention, short-term counseling, and referrals. Services are free and confidential.

LifeSpan Services is a starting point for employees as they begin to investigate family and care giving resources across the lifespan. We guide and direct employees to multiple resources so that they can make informed decisions based on their individual situations, including preparing for a new baby, childcare options, parent coaching strategies, negotiating the college search, services for aging parents, and grief and bereavement support.

WorkLife Presents...

The Office of Work, Life and Engagement offers a number of large resource fairs throughout the year including the Summer Camp Discoveries Fair and National Work and Family Month Fair. We also sponsor a variety of educational workshops to provide faculty and staff with information on topics including parenting, family care, well-being, and financial programs.

Community Programs

Faculty and staff can participate in a variety of volunteer activities such as Adopt-a-Family, the Vernon Rice Memorial Butterball Turkey Program, American Red Cross Blood Drives, Professional Clothing Drives, and United Way of Central Maryland Campaign at JHU.

Y at Stadium Place

The Harry and Jeanette Weinberg Y at Stadium Place Child Care Center located on East 33rd Street has space for 92 children ages 2 to 5 years, and the university has negotiated that up to 50 slots be reserved for the children of full-time JHU faculty and staff.

Y of Central Maryland

JHU faculty and staff receive discounted monthly membership fee, no contract, and no joining fee. Membership is valid at any Metro Y.

Discounts Program Faculty and staff receive discounts at retailers and venues such as:
