

The Johns Hopkins Hospital
Department of Nursing Education

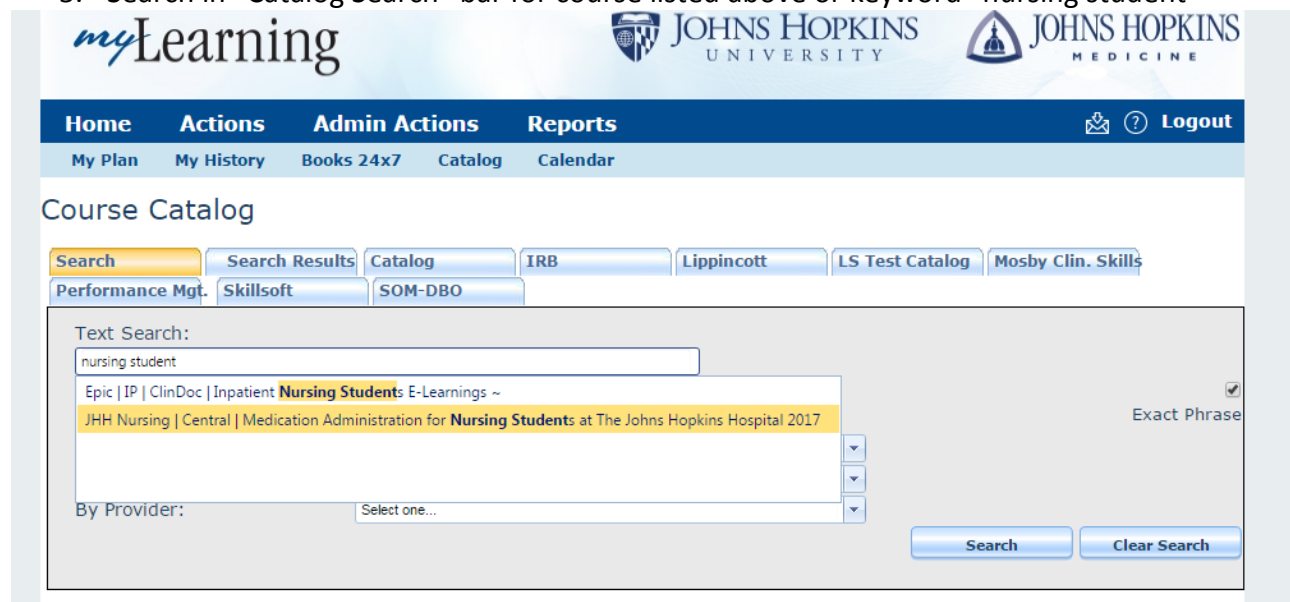

**Instructions for Required Online Courses
Independent Practicum Students**

Undergraduate/Pre-licensure Independent nursing practicum students who come to The Johns Hopkins Hospital need to complete the following online course before taking care of patients:

JHH Nursing | Central | Medication Administration for Nursing Students at the Johns Hopkins Hospital 2017

Follow these directions to access the required courses:

1. Open web browser and navigate to <https://my.jh.edu>
2. Select the “Login” button.
3. Login using your JHED ID and JHED password.
4. Under the “Education” icon on the toolbar on the left hand side of the screen, Select the “My Learning” button.
5. Search in “Catalog Search” bar for course listed above or keyword “nursing student”

6. Select and complete courses and submit Certificates if required.
