

Curriculum

Prerequisites: Applicants are encouraged to have some experience with patient safety and quality improvement, including other Armstrong Institute trainings (e.g., Patient Safety Certificate, Lean Sigma, CUSP).

Time: All session times below are Friday morning, 9 AM -1 PM except for orientation, which runs until 3 PM, and Lean Sigma training. Scholars will sign up for and complete one of the Lean training blocks on the dates noted below. Lean sessions will occur from 10 AM – 12 PM on those dates.
