2022 Winners of the Johns Hopkins Medicine Clinical Awards for Physicians and Care Teams

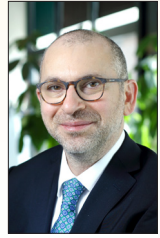

Congratulations to all the winners of the 2022 Johns Hopkins Medicine Clinical Awards for Physicians and Care Teams! Launched in 2015 by the Office of Johns Hopkins Physicians, the awards program honors the physicians and care teams who embody the best in clinical excellence. The winners were recognized by their peers for their commitment to the mission of Johns Hopkins Medicine and their consistent dedication to providing excellent patient care. To learn more about the winners and awards, visit hopkinsmedicine.org/clinical-awards.

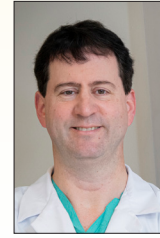

Office of Johns Hopkins Physicians leadership: Jonathan Efron, senior vice president; Stephen Sisson, vice president, clinical operations; and Steven Kravet, vice president, ambulatory quality and safety.
