Your Name: ____________________ Date: ________ Provider: ____________________ Date: ________
This form applies to the following Johns Hopkins Medicine (“Johns Hopkins”) entities: Johns Hopkins Bayview Medical Center, Clinical Practices of the Johns Hopkins University School of Medicine, Howard County General Hospital, Johns Hopkins Community Physicians, Johns Hopkins Home Care Group, Suburban Hospital, Sibley Memorial Hospital, Johns Hopkins All Children’s Hospital and Pediatric Physician Services, Inc. and West Coast Neonatology Inc. and The Johns Hopkins University School of Medicine, Howard County General Hospital, Johns Hopkins Community Physicians, Johns Hopkins Home Care Group, Suburban Hospital, Sibley Memorial Hospital, Johns Hopkins All Children’s Hospital and Pediatric Physician Services, Inc. and West Coast Neonatology Inc. located in Florida.

General Policy: All patients shall be treated without discrimination related to age, race, ethnicity, religion, culture, language, physical or mental disability, social or economic status, gender, sexual orientation, or gender identity or expression.

Consent for Treatment: I, or my representative, agree to have Johns Hopkins providers evaluate and treat my condition. Absent an emergency, if the proposed treatment has significant risks, then an additional informed consent will be obtained. I understand that the practice of medicine is not an exact science, and that no guarantees have been given to me by anyone as to the results or outcomes that may be obtained from examinations, treatments or other healthcare services.

Disclosure & Authorization to Release Information: I hereby authorize Johns Hopkins to release my final diagnosis and other medical information to third parties to determine benefits payable and process claims. I authorize Johns Hopkins to release medical information to my insurance carrier for payment purposes. I authorize Johns Hopkins and/or any physicians who render services to me to release all or part of my medical and billing records for treatment, payment, and operations and for those purposes outlined in the Johns Hopkins Notice of Privacy Practices.

Consent to be Contacted: I agree that by providing my landline, cell phone number(s) or email address, I am giving express consent for Johns Hopkins, its staff, employees, independent contractors, assignees, successors, and agents, to contact me through email or at these numbers, or any number or email address that is later acquired for me and to leave live or pre-recorded messages, text messages or emails regarding my healthcare-related matters, my account, or my bill related to any services I receive. I confirm that any phone number I provide is associated with me and not a third-party. For greater efficiency, calls may be delivered by an auto- dialer. Additionally, for my convenience, emails and text messages may be sent unencrypted, which may present certain risks, including the risk of being intercepted during transmission or viewed by someone other than me. I agree to accept these risks. If I do not wish to receive text messages, I can call 1-800-318-4246 to opt-out. Providing an email address or telephone or cell phone number is not a condition of receiving services.

Physicians Not Employees of the Hospital: I understand that physicians may not be employees of the health system. I understand that my physician may ask other physicians to participate in my care including but not limited to attending physicians, radiologists, surgeons, obstetricians/gynecologists, pathologists, anesthesiologists, neonatologists, physicians interpreting diagnostic studies, consultants and physician assistants. I also agree that physicians in training, students or other qualified health care personnel, under supervision of my physician, may participate in and/or observe my care unless I specifically state otherwise, either verbally or in writing.

Electronic Prescribing: I authorize Surescripts, an electronic prescribing network, to release my medication refill history to my providers for the purpose of continued treatment.

Payment for Services: I understand that Johns Hopkins may bill my health plan for the care I receive. I agree that payments from my health plan may go directly to Johns Hopkins. If I should receive the payments, I understand that I will be responsible for paying Johns Hopkins. I assign the benefits payable for health care services to the physicians and/or organizations furnishing the services. I authorize direct payment to Johns Hopkins and all other providers of service to me, of any insurance, personal injury or other benefits otherwise payable to me or the patient. I acknowledge the financial responsibility for any coinsurance, deductible or other sum not received by the hospital from any third party source for the care and services rendered to me or the patient. I assign my right to appeal a denial of payment to Johns Hopkins for services rendered to me.

I understand that Johns Hopkins may be treated as an out of network provider by my health plan for services rendered at Johns Hopkins. In such case, my copay or deductible may be greater than if services were rendered in an in network facility or lab. This means that your insurance may cover less than expected depending upon your health plan. I understand that I must pay any co-payment or other part of the bill that my health plan says I must pay including a higher deductible or copay as a result of out of network benefits. I know that I may need to pay this before I am treated.

Patients seen in a clinic or outpatient setting may receive multiple bills. The hospital is permitted to bill a fee for outpatient visits, commonly referred to as a “facility fee”, for the use of hospital facilities or space, clinics, supplies, tests, procedures, equipment, and non-physician services, including but not limited to the services of non-physician clinicians. I understand that all professional services of physicians are billed separately from the hospital bill. I understand that I am responsible for the charges of all physicians and ancillary services involved in my treatment.

I understand that hospital rates for hospitals located in the State of Maryland are subject to change without notice during the course of my outpatient treatment. This does not apply to Sibley Memorial Hospital, a hospital located in the District of Columbia. This does not apply to Johns Hopkins All Children’s Hospital and Pediatric Physician Services, Inc. and West Coast Neonatology Inc. located in Florida.

I understand that at Maryland hospitals I am entitled to a Prompt Payment hospital discount as follows: 2% if payment is made on or before the date of service, or 1% if payment is made within 30 days of the date of the first bill or date of discharge, whichever is earlier. This does not apply to Sibley Memorial Hospital, a hospital located in the District of Columbia, or Johns Hopkins All Children’s Hospital and Pediatric Physician Services, Inc. and West Coast Neonatology Inc. located in Florida.

I understand and agree that if my plan does not pay the hospital or doctor, I will have to do so. If my account is sent to a collection agency, I agree to pay all reasonable fees that are required to collect what is due. These fees may include court costs, attorney’s fees of 15% of the billed charges and interest at the judicial rate if judgment is entered.

ERISA: If my health plan is subject to ERISA (the Employee Retirement Income Security Act under U.S. law), I agree to have Johns Hopkins act on my behalf to obtain my benefits when Johns Hopkins asks to do so. I also agree that Johns Hopkins can appeal for me if the health plan says it will not pay for my care. I understand that I must comply with the policies and procedures set by my employee benefit plan.

Private Contract: I understand that Johns Hopkins will hold me responsible in any one of the following situations. I may be asked to review and sign the Private Contract form in addition to this form:

(1) When I choose to have a service that my health plan covers but I do not obtain the required referral or authorization from my health plan.

JOHNS HOPKINS NOTICES

Pathology: Johns Hopkins may dispose of any tissue or parts that are removed during a procedure; may retain, preserve, use, and share these tissues, parts or related information for internal educational and quality improvement purposes without my permission (even when these tissues, parts or related information identify me); and may use or share tissues, parts or related information that identifies me for research with my permission or with the approval of a review board governed by federal laws protecting these activities. If tissues, parts or related information do not identify me, Johns Hopkins may use them for scientific (research) purposes without my permission or action by a review board.

Pathology (Florida): I authorize Johns Hopkins to dispose of any tissue or parts that are removed during a procedure; to retain, preserve, use, and share these tissues, parts or related information, including any related DNA analysis, for internal education, research, quality improvement and other healthcare operations purposes, and as otherwise permitted by federal and state privacy laws, even when these tissues, parts or related information identify me.

Personal Belongings: Patients are responsible for their personal belongings and are encouraged to leave all money and valuables at home. Johns Hopkins shall not be responsible or liable for the loss of or damage to any personal property the patient brought into the facility including but not limited to money, dentures, glasses, hearing aids, personal electronic devices and documents.

Financial Assistance: I understand that Johns Hopkins has Financial Assistance Policies which provide financial assistance and payment plans to patients under certain circumstances. I understand that I can request information concerning Johns Hopkins Financial Assistance by contacting the Customer Service Department for Johns Hopkins at 443-997-3370 or 1-855-662-3017. I hereby authorize Johns Hopkins to run a credit report on me for use in determining whether I qualify for financial assistance or a payment plan. I also understand that I can obtain information by going online at: www.hopkinsmedicine.org/patient_care/pay_bill/payment_assistance.html

Physicians have their own financial assistance policies and the patient should contact the physician’s office to inquire.

Advance Directives: An Advance Directive can mean any written or spoken statement of wishes regarding healthcare that is listed in the medical record. Advance Directives tell your health care providers who should speak for you and what medical decisions they should make if you become unable to speak for yourself. Examples include an appointment of a healthcare agent, healthcare instructions/treatment preferences (e.g., “Living will”), oral Advance Directive, and/or Advance Directive for Mental Health Services. If you have a written Advance Directive, please give a copy to the Registrar, your Nurse or Physician. If you would like to complete an Oral Advance Directive or revoke or revise an existing Advance Directive, please inform the Registrar, your Nurse or Physician.
The Johns Hopkins Photographs, Audio and Video Recordings (PAVR) Patient Information Guide:

Please review this Information Guide before signing the Photographs, Audio and Video Recordings (PAVR) consent portion of The Johns Hopkins Inpatient or Outpatient Agreement form. Photographs, video, and audio recordings (PAVR) created and used at Johns Hopkins for the purposes of internal quality improvement and education are designed to improve patient care. Examples of how PAVR may be used include:

- Quality Improvement Use- Video monitoring preparation the patient for surgery to prevent infection and ensure compliance with standards of care.
- Internal Education- The proper way to treat a wound, insert an IV or perform a procedure.

Protecting your privacy: Johns Hopkins is grateful to patients who are willing to allow us to create and use PAVR so that we can improve the care we provide. At the same time, the privacy of patients, as well as the confidentiality of medical and related information, are among our highest priorities.

- During the creation of PAVR, your privacy is protected as much as possible, and whenever possible the PAVR will be modified so that you are not recognizable.
- The Johns Hopkins staff will explain any intended use of the PAVR and answer any questions you may have.
- Use of your PAVR for purposes other than internal education and quality improvement shall require your additional consent and/or authorization.
- PAVR may include, but is not limited to photographs, drawings, video or audio recordings, digital or electronic images, motion pictures or other images.

It is important that you understand your rights when PAVR is created or used. Your rights include:

- Consent for the creation and use of PAVR is voluntary. Your treatment will not be impacted, based on whether you sign the consent or not.
- Your consent will end only when the use of your information is no longer needed for the purposes of internal education and/ or quality improvement.
- You may verbally request cessation of the creation of PAVR at any time while it is being made.
- You hereby release and waive all claims for compensation and rights to the images and recordings for which you consent.
- Following the creation of images and recordings you may revoke or withdraw your consent by mailing or faxing your written request to the care provider, clinic or department where your consent was made or given or to the Health Information Department. This withdrawal would affect only any new use of your PAVR by Johns Hopkins. If all identifiers have been removed from the PAVR this may not be feasible.

Please be sure to ask a Johns Hopkins staff member to clarify any questions you may have. We appreciate your assistance, and value your participation.
