

ID WEEK 2025

SATURDAY, October 18

2:25 PM - 3:00 PM | B203 | Session: Diagnostic Stewardship - Building Hospital Programs

Anna Sick-Samuels (Workshop Moderator): Interactive Panel: Early in The Journey

SUNDAY, October 19

8:00 AM - 9:50 AM | B302-B304 | Session: Fellows' Day Workshop

Natasha Chida: Case Presentations

8:00 AM - 12:00 PM | B314 | Session: PW06 - TB Workshop

Yuka Manabe & Maunank Shah (Workshop Moderators)

Yuka Manabe: Opening Remarks

Maunank Shah: Panel Discussion: Implementing new evidence into the management of TB

8:40 AM-8:55 AM | B301-B304 | Session: Fellows' Day Workshop

Jillian Peters (Case Presenter): Case Presentation #3

Ethel Weld (Co-Author)

10:00 AM - 11:00 AM | International Ballroom E | Session: Industry Education Event #6 Supported by Medscape

Shmuel Shoham: The COVID Countdown The Latest in Safeguarding Protection and Treatment for Vulnerable Populations

10:00 AM - 11:00 AM | International Ballroom F | Session: Industry Education Event #7 Supported by Medscape

Elisa Ignatius: Cracking the Case on MAC Lung Disease: From Early Clues to Emerging Treatment Strategies

10:50 AM - 12:15 PM | B302-B304 | Session: Fellows' Day Workshop

Lisa Maragakis: Careers in Hospital Epidemiology and Infection Prevention

MONDAY, October 20

10:30 AM - 11:45 AM | B312-B313 | 21 - Across the Globe: Looking Beyond the Usual Foes Faced by Transplant Recipients

Olivia Kates (Moderator)

11:30 AM - 11:43 AM | B203 | Session: The Germinator: Surveillance Day

Sima Sharara (Presenting Author): 116 - Negative Predictive Value of Surveillance Swabs for Third-Generation Cephalosporin-Resistant Enterobacterales in the Intensive Care Unit

Sara Cosgrove (Co-Author)

MONDAY, October 20 (Continued)

1:30 PM - 2:00 PM | NextGen ID Lounge | IDBugCrawl: Meet your ID Idols
Allison Agwu

1:45 PM - 1:57 PM | B213-B214 | Session: Respiratory Viral Infections and Vaccines
Andrew Karaba (Presenting Author): 180 - Durability of Antibody Response to RSV Vaccination in Immunocompromised Individuals
Prasanth Balasubramanian, Xori Green, Woudase Gallo, Maggie Chahoud, Aaron Tobian, Bill Werbel (Co-Authors)

1:45 PM - 3:00 PM | B211-B212 | 65 - Advances in Diagnostics
Sara Karaba (Moderator)

2:35 PM - 3:00 PM | B308-B309 | Session: Stopping the Inevitable? Holistic Approaches to Post-COVID-19 Prevention of Viral Infections in Transplant Patients
Bill Werbel: 188 - The Current Benefits and Unmet Needs of Vaccines Against Respiratory Viral Infections in Transplant Patients

3:15 PM - 4:30 PM | B302-B304 | 83 - Contaminated Blood Cultures: Impactful or Inconvenient?
Aaron Milstone (Moderator)

3:51 PM - 4:03 PM | B213-B214 | Session: New Anti-Infective Agents
Robin Avery: 233 - Efficacy and safety results from the Phase 2 clinical trial of pritelivir versus foscarnet for treatment of acyclovir-refractory and/or resistant mucocutaneous HSV infections in immunocompromised subjects

6:30 PM - 9:30 PM: IDWeek Reception
Margaritaville Restaurant
155 Centennial Olympic Park Drive, NW
Atlanta, GA

TUESDAY, October 21

8:00 AM - 9:00 AM | B207-B208 | Session: Beyond the Hospital Walls: Tackling HAI & AMR Surveillance in Non-Acute Settings
Aaron Milstone (Moderator)
Morgan Katz: 259 - Breaking Open the Black Box: Insights Into MDRO and Infection Surveillance in Nursing Homes

8:00 AM - 9:00 AM | B203 | 102 - IYKYK: Adolescents and HIV
Allison Agwu (Moderator)

10:30 AM - 10:42 AM | B203 | Session: IntervENTIONS for the PreVENTION of InfecTIONS
Morgan Katz (Presenting Author): 308 - The Agency for Healthcare Research and Quality (AHRQ) Safety Program for Improving Skin Care and MDRO Prevention: The Impact of an Educational and Implementation Project in United States (US) Long-Term Care Facilities
Health Stoltzfus, Lisa Maragakis (Co-Authors)

10:30 AM - 10:42 AM | B207-B208 | Session: TB and Beyond: Innovations in Treatment, Resistance and Real-World Reach

Sanjay Jain (Co-Author)

1:45 PM - 3:00 PM | B207-B208 | 161 - IDWeek Program Committee Choice: Featured Oral Abstracts

Cynthia Sears (Moderator)

2:09 PM - 2:21 PM | B203 | Session: Extending the Reach: Long-Acting ART for All

Allison Agwu (Co-Author): 392 - Favorable Adherence and Safety of Twice-Yearly Subcutaneous Lenacapavir for PrEP Among PURPOSE 2 Participants Who Used Substances

2:10 PM - 2:35 PM | B308-B309 | Session: Novel Strategies to Diagnose, Monitor, Treat and Prevent Hepatitis B and Hepatitis D

Ashwin Balagopal: 419 - Update on Hepatitis B Treatment Pipeline

3:00 PM - 3:30 PM | NextGen ID Lounge | Meet the Editors

Cynthia Sears

3:15 PM - 3:27 PM | B211-B212 | Session: New School: MedEd Innovations

Michael Melia (Co-Author): 70 - IDSA Chalk Talks as a Catalyst for Enhancing Clinical Teaching and Professional Identity through Medical Education Innovation

WEDNESDAY, October 22

8:00 AM - 9:00 AM | B206 | 189 - HIV & Aging

Damani Piggott (Moderator): 8:30 AM - 9:00 AM: 501 - Changes in Neurocognition and Mood in People Aging With HIV

1:00 PM - 1:25 PM | BugHub World Stage | Navigating the Pivot

Allison Agwu

1:45 PM - 3:00 PM | Ballroom (Hall B1) | 243 - Challenging HIV Clinical Cases

Joyce Jones (Panelist)

2:21 PM - 2:33 PM | B213-B214 | Session: Resistance Mechanisms and Epidemiology

Sima Sharara (Presenting Author): 629 - Investigating the Molecular Epidemiology of Extended-Spectrum β -Lactamase Producing Enterobacteriales Among Patients Admitted to the Intensive Care Unit

Sara Cosgrove (Co-Author)

3:15 PM - 4:30 PM | B302-B304 | 259 - Driving Better Decisions: Incentivizing Diagnostic Stewardship

Anna Sick-Samuels (Moderator)

4:05 PM - 4:30 PM: Speaker: 673 - Diagnostic Stewardship Leading to Better Clinical Outcomes
