

The Fisher Center Impact Award (FCIA) Grant Application 2027

The Sherrilyn and Ken Fisher Center for Environmental Infectious Diseases

Submission: Submit the application and associated documents via email to: fishercenter@jhmi.edu.

Deadline: **November 20, 2026, 11:59 PM**

Instructions: This file includes fillable form fields. Complete the form and save to your computer with a new name.

Note: this form is for the multi-year grant, not the one year Fisher Center Discovery Award (FCDA).

Applicant and Principal Investigator Information

Applicant Name (must be full-time JHU faculty)	Degree(s)	JHU School	Department & Division
E-mail	Ten Digit Phone	Status	Title

.....

PI Name (must be full-time JHU faculty)	Degree(s)	JHU School	Department & Division
E-mail	Ten Digit Phone	Status	Title

Project Information

Project Title			
IRB Research Protocol Number, if available		clinicaltrials.gov Number, if available	
Human Subjects Involved?	Children Involved?	Animals Involved?	Proposal Type
Yes	Yes	Yes	
No	No	No	

Enter a single, proposed start date for the grant (04/05/2027 through 04/30/2027, MM/DD/YYYY format)

Lay Language Summary

Include background, methods, and potential health or impact. Do not include citations.

Relevance to Fisher Center Goals and Environmental Infectious Diseases

What is the project's relationship to environmental infectious diseases, antimicrobial resistance research and/or post-infectious disease conditions?

Explain why this proposal may lack traditional funding mechanisms and how important FCIA funds are to the proposal

How does this project promote novel, cross-disciplinary, collaborative clinical research within and outside of Johns Hopkins University?

Does this project facilitate early career investigators, and if so, how?

List other existing, pending or planned research support (internal and external) for this proposal. Include the name of the source and the monetary value. Include ICTR requested non-monetary services. Write N/A if support from non-FCDP sources is not anticipated.

Additional Research Team Personnel

Include all additional members of this research team not listed as Applicant and PI. Include co-investigators, nurses, technicians, lab personnel, etc. All individuals listed as receiving salary support on [FCIA Budget Template 2026](#) must be listed here.

Research Team Member Name	Degree(s)	JHU School	Department & Division
