Education and Training

Undergraduate

1971-1975 B.S., Biology, Muhlenberg College, Allentown, PA

Doctoral

1975-1979 M.D., George Washington University School of Medicine and Health Sciences, Washington, DC

Postdoctoral

1979-1980 Intern, Pediatrics, Johns Hopkins Hospital, Baltimore, MD
1980-1982 Resident, Pediatrics, Johns Hopkins Hospital, Baltimore, MD
1982-1984 Fellow, General Pediatric Academic Development Program, Johns Hopkins University School of Medicine, Baltimore, MD
1990-1993 Faculty Fellow, Faculty Development Program in Substance Abuse, Johns Hopkins University School of Medicine, Baltimore, MD
1997-2000 Faculty Scholar, Project on Death in America, Open Society Institute

Professional Experience

1984-1985 Instructor, Division of General Pediatrics & Adolescent Medicine, Department of Pediatrics, Johns Hopkins University School of Medicine

1985-1998 Assistant Professor, Division of General Pediatrics & Adolescent Medicine, Department of Pediatrics, Johns Hopkins University School of Medicine

1985-Present Director, Pediatric & Adolescent HIV/AIDS Program, Johns Hopkins Children's Center

1988-Present Director, Intensive Primary Care Clinic (IPC), Johns Hopkins Children's Center

1988-2007	Co-Investigator, Baltimore Pediatric AIDS Clinical Trials Group, (PACTG), Johns Hopkins University School of Medicine
1997-2000	Faculty Scholar, Project on Death in America, Open Society Institute
1998-Present	Associate Professor, Division of General Pediatrics & Adolescent Medicine, Department of Pediatrics, Johns Hopkins University School of Medicine
2000-Present	Medical Director, Harriet Lane Compassionate Care, Pediatric Palliative Care Program, Johns Hopkins Children's Center
2000-2003	Assistant Pediatric Medical Director, Johns Hopkins Home Hospice
2003-2009	Pediatric Hospice Medical Director, Community Hospice of Maryland
2005-Present	Pediatric HIV Care Consultant, JHU TSEHAI, PEPFAR, CDC Ethiopia
2005-Present	Palliative Care Consultant, JHU TSEHAI, PEPFAR, CDC Ethiopia
2007-Present	Co-investigator, International Maternal, Pediatric, and Adolescent AIDS Clinical Trials Network (IMPAACT)
2010-2011	Pediatric Hospice & Palliative Medicine Consultant, Gilchrist Kids Pediatric Home Hospice Program, Gilchrist Hospice Care

Educational Program Building/Leadership

- 1985- **Director, Pediatric & Adolescent HIV/AIDS Program**
 I teach about pediatric and adolescent HIV/AIDS care to trainees and colleagues at Johns Hopkins, to practicing clinicians through continuing education courses, and to national and international audiences. I integrate training for pain & palliative care with HIV care & treatment internationally under the PEPFAR program.
- 1995-present **BUDDY PROGRAM**
 Faculty advisor for Big Buddy Little Buddy program which matches graduate students in medicine, nursing, and public health with HIV affected children and youth with dual goals of mentoring for children and building professionalism for graduate students
- 2000- **Medical Director, Harriet Lane Compassionate Care**
 In this role, I lead the development of pediatric palliative medicine training and education for medical students, residents, fellows, and faculty at Johns Hopkins. I co-lead the interdisciplinary palliative care educational initiatives of the Johns Hopkins Children’s Center, working collaboratively with nursing, social work, child life, and chaplain leaders. I am developing a fellowship training program in the new subspecialty of pediatric Hospice & Palliative Medicine at Johns Hopkins and am a member of the national working group drafting pediatric specific competencies to meet the ACGME requirements for HPM fellowship programs.

Clinical Program Building/Leadership

1985- **Director, Johns Hopkins Pediatric & Adolescent HIV/AIDS Program**
I founded, developed, and continue to direct the comprehensive interdisciplinary clinical care program (Intensive Primary Care) for children and youth with HIV infection at Johns Hopkins. I have competed successfully for the continuous and increasing extramural funding for this model program for over 20 years. IPC currently employs eleven full-time staff with an additional seven faculty physicians contributing part-time effort to care for nearly 250 patients from birth through age 24 years.

2000-

Medical Director, Harriet Lane Compassionate Care

In this role, I have co-developed a model of interdisciplinary palliative care that emphasizes the integration of palliative care principles into the work of all the clinical units of the Johns Hopkins Children's Center. I have spearheaded efforts to build a network of palliative care services in Maryland. As a board certified Hospice & Palliative Medicine specialist, I have initiated a formal consultation service in the Children's Center.
