What to Bring:

To prepare for your hospital stay, we recommend bringing:

- A robe
- A breastfeeding bra (if desired)
- Panties (we provide disposable mesh panties, if needed)
- Baby clothing including undershirt, hat, blanket (weather appropriate; for taking pictures, for going home outfit)
- Your own pillow from home (we do supply pillows but you may be most comfortable with yours)
- Toiletries (we offer soap, toothpaste, toothbrush, sanitary napkins, although you may prefer to bring your own)
- A phone charger
- Infant approved car seat
- Contact info for the pediatrician you plan to use for baby's first check up (typically 2 days after discharge from hospital)
- Birth certificate information:
(we recommend you write this down or print out ahead of time to bring with you)
 - i. Full name of mother
 - ii. Full name of father
 - iii. Name of baby

Where to Go:

We are located at 4940 Eastern Avenue, Baltimore, MD 21224. All patients should check in at the Bayview Medical Office building under the blue awning entrance.

Parking:

For patient and visitor parking we recommend the East Parking Garage across from the Bayview Medical Office.
