

**Damewood Foundation OBGYN Diversity Sub-internship Demographic Information**

The Damewood Diversity Sub-Internship is committed to cultivating and sustaining an environment that fosters the development of physician leaders who are committed to eliminating the nation’s health inequities through patient care, education, advocacy, and research. We are thrilled to welcome all students, regardless of race or ethnicity, who are committed to addressing health care disparities to apply.

Applicants from backgrounds underrepresented in medicine are encouraged to apply!

According to the AAMC “Underrepresented in medicine means those racial and ethnic populations that are underrepresented in the medical profession relative to their numbers in the general population.”
