

Do you want to experience a Hospital  
Medicine elective at ***a world-class  
academic medical center?***

Do you dream of a career as  
***an academic hospitalist?***

# The Hospitalist Elective

*in the Department of Medicine at  
The Johns Hopkins Hospital*

- A 4-week elective designed to immerse you in the exciting world of academic hospital medicine
- Learn one-on-one through direct patient care alongside our faculty hospitalists
- Seminars and workshops focused on the art of Hospital Medicine, including:
  - High-value care
  - Antibiotic stewardship
  - Hospital economics, inpatient coding, billing, and reimbursement
  - Medicine consults and perioperative medicine
  - Interfacility triage and utilization management
  - Discharge and post-hospitalization planning
  - Contract negotiation and career development for the hospitalist

Candidates will be US-based Internal Medicine rising PGY-2 or PGY-3 resident physicians who are in good standing with their home residency program.

***All interested candidates should email  
a cover letter & CV to:***
