Fit Test Reporting

1. To get to the Fit Test reporting tool, you will go to the Johns Hopkins Health Safety and Environment website at: https://www.hopkinsmedicine.org/hse/

2. Click on Web Tools under Quick Links at the bottom of the page.

3. Expand the Fit-Test Program Related Tools section and click on the Fit-Test Department Report Tool link.
4. Enter your department’s number, jhed id and/or name of the individual. *Please note that you can also enter multiple department and jhed id’s at the same time*

5. Click on Get Report.
