

How to Self-Schedule a COVID test in MyChart

1. Log into MyChart

*Note: If you have trouble logging in, please click on Help & Support.

The screenshot shows the MyChart login page. The header includes the MyChart logo with the tagline "Your health. Your knowledge. Your connection." and the Johns Hopkins Medicine logo. On the right, there is a "Ver en Español" link. The main content area features four service tiles: "Communicate with your provider", "Access your test results", "Request prescription renewals", and "Manage your appointments". At the bottom, there are two more tiles: "Access a loved one's health information" and "Video Visits From Home". On the right side, there is a login form with fields for "MyChart Username" and "Password", a "Sign in" button, and links for "Forgot username?", "Forgot password?", "Sign up now", and "Help & Support".

2. Click on Menu

The screenshot shows the MyChart home page after a successful login. The header includes the Johns Hopkins Medicine logo and the MyChart by Epic logo. Below the header is a navigation bar with icons for "Your Menu", "Visits", "Messages", "Test Results", and "Medications". The "Your Menu" icon is highlighted. Below the navigation bar, it says "Welcome to MyChart!".

3. Click on Schedule an Appointment

The screenshot shows the "Your Menu" dropdown menu. It has a search bar at the top with the placeholder text "Search the menu". Below the search bar, there are several menu items: "Find Care", "Schedule an Appointment" (highlighted), "View Care Team", "Search for Provider", "Test Your Video", "Communication", and "Messages".

4. Click on JH Employee/Student COVID Testing (Asymptomatic OR Symptomatic)

The screenshot shows a selection screen titled "Tell us why you're coming in" with the instruction "Choose a specific reason for scheduling an appointment." There are four buttons arranged in a 2x2 grid:

- Primary Care**: Schedule an appointment with primary care providers. →
- Specialty Care and Services**: Schedule an appointment with select specialty care providers. →
- COVID-19 Vaccine**: Schedule an appointment at our COVID Vaccine clinics. New appointments are added weekly. Vaccine supply is limited and we encourage you to get the vaccine where you can. →
- JH Employee/Student COVID Testing (Asymptomatic OR Symptomatic)**: If you are experiencing severe symptoms like difficulty breathing at rest, chest pain, confusion, blue lips, new-onset severe headache with a fever greater than 100.4° F PLEASE CALL 911 OR GO TO THE EMERGENCY DEPARTMENT IMMEDIATELY. →

5. On the next screen, select Yes or No. Then click Continue

*Note: Answer any other Yes or No questions that may be asked.

If Yes for symptoms:

Onsite in next 2 days? = Hopkins Antigen (Lumira) testing.

Results within 45 minutes.

Not onsite in next 2 days? = Hopkins Nasal PCR testing.

Results within 12 hours.

If No for symptoms:

Hopkins Nasal PCR testing. For an exposure if you have NO symptoms.

Results within 12 hours.

The screenshot shows a web form titled "A couple of questions" from Johns Hopkins Medicine. It asks: "Are you experiencing any of the following symptoms?" with a list of symptoms: Fever (greater than or equal to 100.4)*, Chills, Cough, Diarrhea or vomiting*, Headache, Loss of taste or smell*, Muscle aches, Shortness of breath, Sore throat, New fatigue, Runny nose, and Congestion. Below the list, it states: "For these symptoms please notify your supervisor and do not present to work." and "Per DC Health requirements, Sibley personnel who are symptomatic cannot report to work until they receive a negative test result. Depending on the test administered, results will be returned within 24 hours. Make sure to follow standard protocols on your unit for call-out." It then asks: "If you are experiencing severe symptoms like difficulty breathing at rest, chest pain, confusion, blue lips, new-onset severe headache with a fever greater than 100.4° F PLEASE CALL 911 OR GO TO THE EMERGENCY DEPARTMENT IMMEDIATELY." At the bottom, there are "Yes" and "No" buttons, and a "Continue" button.

6. Select a Location and click Continue
