

Sign Up for RAVE Emergency Messages

- RAVE is the Johns Hopkins All Children's mass notification system. In the event of a severe storm, disaster or emergency staff will receive notifications via RAVE.
- This system enables staff members to receive alerts and updates via their cell phone.
- This service is part of our proactive approach to enhancing communications during an emergency and making our campus safer for everyone.
- Go to this website and click the Register button to get started <https://getrave.com/login/allchildrenshospital>
