

# JOHNS HOPKINS

## MEDICAL IMAGING

### Mammography Services

Johns Hopkins Medical Imaging offers comprehensive breast imaging services at all of our locations. Any images or results related to mammography are taken by specialty trained technologists and reviewed by radiologists who work exclusively in breast imaging.

Visit [hopkinsmedicine.org/imaging/mychart](https://hopkinsmedicine.org/imaging/mychart) to schedule or call 443-997-7237.

Online scheduling available through MyChart

Radiologists and technologist who work exclusively in breast imaging

Weekday, evening, and weekend hours

Patient liaisons to ensure a positive experience

Most insurance plans accepted & preauthorization assistance provided

Breast biopsy appointments have dedicated coordinators for scheduling

3D imaging available with low dose covered by most insurance plans

All clinical staff wear face masks & face shields as part of comprehensive COVID-19 safety precautions

If you've previously had mammograms at different imaging centers outside of Johns Hopkins, we can help transfer your prior records over to ensure smooth and integrated health care, call 410-583-2705 to find out more.
