

JOHNS HOPKINS

MEDICAL IMAGING

Weekend MRI Services at White Marsh

Our location at White Marsh offers patients the convenience of a freestanding outpatient imaging center with weekend, evening and weekday MRI appointments along with the expertise of Johns Hopkins radiologists. All of our imaging services are fully integrated with the Johns Hopkins Health System, including images and reports accessible through Epic.

Our team provides pre-authorization assistance with the patient's insurance, and most insurance plans are accepted by Johns Hopkins Medical Imaging at White Marsh.
