

Add CITI Course for

Clinical Research Coordinator (CITI)

Once you have accessed the CITI site and the **Johns Hopkins Medical Institutions**

- Scroll to the bottom of the **My Courses** page

The screenshot shows the CITI PROGRAM website interface. At the top, there is a navigation bar with the CITI PROGRAM logo, a 'My Courses' button (highlighted with an orange box), and other links like 'My Records', 'My CE/CMEs', and 'Support'. A search icon and a language dropdown set to 'English' are also visible. Below the navigation bar is a blue banner with a 'Welcome,' message and links for 'Add Institutional Affiliation' and 'Register as Independent Learner'. On the right side of the banner, there are two circular progress indicators for 'Course Completed' and 'Years of Membership'. Below the banner, there is a section for 'Show Courses for:' with a dropdown menu set to 'Johns Hopkins Medical Institutions' (highlighted with an orange box) and an 'Institution List' button. The main content area is titled 'Johns Hopkins Medical Institutions' and has a sub-section for 'Active Courses' with a 'Learner Tools' link. A message states: 'You have no active courses for this Institution.'

- Click on **Add a Course**

Question 1

Which training do you need to complete (select only one option)?

This question is required. Choose one answer.

- I need Initial IRB Compliance training only (This selection will add Human Subject Research – Biomedical Research and Researchers. Conflict of Interest has been automatically added in MyLearning)
- I need Initial IRB Compliance training and Good Clinical Practice (GCP) training (This selection will add Human Subject Research – Biomedical Research and Researchers. Conflict of Interest has been automatically added in MyLearning)
- I only need Good Clinical Practices training.
- I need to complete Recertification Training (This course includes Good Clinical Practices training and is required for both PI and Study Team recertification)
- I need to complete Responsible Conduct of Research
- I need to complete Undue Foreign Influence.
- Clinical Research Coordinator (CRC)
- Working with the IACUC - This course provides basic training on the protection of animal subjects used in research.
