WHAT PFAC'S DO

WE IDENTIFY

- Operational coordination for the inpatient and ambulatory food pantry program at JHH.
- Universal SDOH screening on 2 inpatient units, leading to the hiring of 2 Community Health Workers to continue this work in the new fiscal year.

WE REPRESENT

The patient and family voice is on committees such as: JHCC Quality & Safety, Pediatric Ambulatory Quality & Safety, JHH Nursing Bedside Shift Report, Unit Cusp Teams, Nursing PPM, Inpatient, ED and Peri-Op Patient Experience committees, and PFCD Design.

WE EDUCATE

- Hosted PFCC Grand Rounds on Inclusion of the Family Voice in Safety Event reporting.
- PFAs participate in Pediatric Intern orientation, Family Centered Rounds Role-Play with 2nd yr Med students, IPE Health Mentors Program with SON, ED Volunteer training, Nurse Residency Core 1 and 3 training on PFCC.

WE SUPPORT

- PFAC funds and operates the weekly family meal program, 3 food pantries, ED comfort cart, take home food bags for families, the PICU bereavement cart, and weekly chair massage for caregivers.
- Ongoing review of unit patient and family admissions materials and environmental rounds.

WE ADVOCATE OR ADVISE

- Feedback given on the creation of the Sedation Service, Patient and Family Marketing Newsletter, Asthma Avatar for Patient Education, Ambulatory Falls Signs, Whiteboard Updates, and Updating Unit and Elevator Signage.
