

HOW TO ACCESS REPORTS IN HEALTHLINK

- 1 Choose the Office Management tab on your HealthLINK Home page then click on Document Manager

The screenshot displays the HealthLINK user interface. At the top left is the Johns Hopkins EHP logo with the tagline "Your health. Your life. Your future." The top right navigation bar includes "HOME", "MESSAGES 0", a user profile for "NOVITA HARVEY", and a "LOG OUT" button. Below this is a main navigation menu with four tabs: "Patient Management", "Office Management", "Administration", and "References". The "Office Management" tab is selected, and its dropdown menu is open, listing various options: "Eligibility", "Claims", "Referrals/Auths", "Provider Directory", "Reports", "Code Lookup", "Document Manager" (highlighted with a red box), "EDI Tools", "iExchange", "Whole Health Assessment", and "EPIC". The background shows a "Report - Member Practice" page with a "Back" button and some text about the Document Manager.

2 On the Document Search area, you can type the report name that you want to view. Click Search
