Advantage MD D-SNP Annual Provider Training (Zoom Webinar)

Johns Hopkins HealthCare's Provider Relations team welcomes you to the 2023 annual provider training session for Johns Hopkins Advantage MD D-SNP (HMO). D-SNP plan members have special needs that make them eligible for both Medicare and Medicaid (dual eligible). The training will describe Special Needs Plans (SNPs), define the Model of Care, as well as explain provider responsibilities and member benefits. All D-SNP providers are required to complete this training annually, especially providers on the care teams of D-SNP members.

Please note: Providers only need to attend one training per year
