Advantage MD D-SNP 2024 Provider Training (Zoom Webinar)

Johns Hopkins Health Plans' Provider Relations team welcomes you to the 2024 provider training sessions for Johns Hopkins Advantage MD D-SNP (HMO). D-SNP plan members have special needs that make them eligible for both Medicare and Medicaid (dual eligible). The training will describe Special Needs Plans (SNPs), define the Model of Care, as well as explain provider responsibilities and member benefits. **All D-SNP providers are required to complete this training initially when they join the Advantage MD D-SNP network and annually**, especially providers on the care teams of D-SNP members. NOTE: Providers only need to attend training once a year.
