## New Prior Authorization Requirements For Certain Provider-Administered Medications

**Effective Date:** April 1, 2024

**Health Plan(s) Affected:** Employer Health Programs (EHP)

**Type of Change:** Process

**Explanation of Change:**

Effective April 1, 2024, Johns Hopkins Health Plans will require prior authorization to determine medical necessity for several provider-administered medications under the EHP plan. These requirements affect members of all ages.

For certain drug classes, EHP has a preferred drug list. This list has been updated for calendar year 2024. These preferred drugs are indicated on the “Preferred Medical Injectable Drug List” included at the above link. The comprehensive lists of provider-administered medications that require prior authorization for EHP is also available on the [Johns Hopkins Health Plans website](#) for your reference.

### Submitting Medical Injectable Prior Authorization Requests:

**EHP:**

- Until March 18, 2024, providers may submit electronic prior authorization requests through NovoLogix using the EHP [HealthLINK](#) secure provider portal. If HealthLINK is not able to be accessed, providers may contact NovoLogix for assistance by calling: 844-345-2803.
- After March 18, 2024, providers may submit electronic prior authorization requests through NovoLogix using the EHP [Availity\\*](#) secure provider portal. If Availity is not able to be accessed, providers may contact NovoLogix for assistance by calling: 844-345-2803.
