

Quarterly New Codes Effective Jan. 1, 2026 for Advantage MD and EHP

Effective Date: Jan. 1, 2026

Health Plans Affected: Advantage MD and Employer Health Programs (EHP)

Type of Change: New Codes and Authorization Requirements Status

Explanation of Change:

Please note the authorization requirements for the Advantage MD and EHP new codes listed in the chart below, **effective Jan. 1, 2026**.

[Quarterly New Codes for Advantage MD & EHP*](#)

NOTE: The release date of these new codes is not timely due to the government shutdown in the fall of 2025, which caused a delay in processes. Johns Hopkins Health Plans regrets any inconvenience this timing may cause with our provider network.

Prior Authorization Process

- **Advantage MD and EHP:** Please use our secure online portal, [Availity](#), to submit electronic prior authorization requests. For codes subject to prior authorization through EviCore, providers should submit prior authorization requests via the EviCore portal through [Availity](#), the [EviCore portal](#) directly, or, if the portal cannot be accessed, by calling EviCore at 866-220-3071.
