

# Provider Update

---

*This update contains pertinent information about changes that will impact the Johns Hopkins HealthCare provider network.*

## Our Newsletter

View our [Spring 2019 issue of "Provider Pulse"](#) for updates on claims and billing, policies and procedures, quality care, plan changes and more. Highlights include:

- Information about our new corporate address
- How to access and submit our updated Preauthorization Request form
- Tips for discussing screenings and preventive care with patients
- Ways you can help drive performance on CAHPS® and HOS measures

---

*Please contact the JHHC Provider Relations department at 888-895-4998 with any questions or concerns*
