

Provider Announcement

Johns Hopkins HealthCare's Provider Relations department is hosting a two-part seminar series.

Provider Outreach and Education Seminar Part I - The Inside Story: Coding and Introduction to Risk

Intended for: Practice Administrators, Billing and Coding Staff, and Lead Physicians

Risk adjustment is an essential component in the health care industry, affecting both providers and health plans. We will discuss how accurate medical record documentation and coding practices impact auditing, claims reimbursement, and regulatory requirements. Using ICD-10, CPT, Hierarchical Conditions Categories (HCC) and other metrics, we will provide best practices to appropriately capture provider and patient interactions for quality documentation and complementary coding.
