

Provider Update

This update contains pertinent information about changes that will impact the Johns Hopkins HealthCare provider network.

Our Newsletter

View our [Winter 2020 issue of "Provider Pulse"](#) for updates on policies and procedures, quality care, plan changes and more. Highlights include:

- Changes to our health care plans for 2020
- New diabetes prevention and management programs
- Preauthorization requirements for selected medical injectables

Please contact the JHHC Provider Relations department at 1-888-895-4998 with any questions or concerns
