

# Provider Update

*This update contains pertinent information about changes that will impact the Johns Hopkins HealthCare provider network.*

## ***Provider Pulse Fall Issue Now Available***

The fall 2020 issue of "Provider Pulse" [LINK](#) is now available online. The issue contains updates on policies and procedures, quality care, plan changes, and more.

In this issue:

- Updated peer-to-peer review timeframes
- Medical and reimbursement policy updates
- EviCore – for prior authorizations for High Tech Radiology and Cardiology Advanced Imaging
- Extended holiday hours and weekend coverage for expedited Skilled Nursing Facility authorizations
