

Provider Update

This update contains pertinent information about changes that will impact the Johns Hopkins HealthCare provider network.

Priority Partners Member Incentive for Completing COVID-19 Vaccination

Effective Date: Dec. 15, 2021 to Mar. 31, 2022

Health Plan Affected: Priority Partners

Type of Change: \$100 Member Incentive

Explanation of Change:

The Maryland Department of Health (MDH) has approved a new incentive program to increase COVID-19 vaccination rates for MCO members. Priority Partners members age 12 and older who become fully vaccinated for COVID-19 between Dec. 15, 2021 and Mar. 31, 2022 are eligible for a \$100 gift card.

- Fully vaccinated is two shots of Pfizer or Moderna or one shot of the Johnson & Johnson COVID-19 vaccine.
- After becoming fully vaccinated, members must go to ppmco.org/claim-gift-card for information on how to request their gift card.

Please encourage your unvaccinated Priority Partners patients to get protected against COVID-19 and get rewarded.

Providers can also view [MDH's MCO Transmittal No. 149](#)* for more information.
