## EHP and Priority Partners to Partner with ProgenyHealth

**Effective Date:** May 1, 2022

**Health Plans Affected:** Johns Hopkins Employer Health Programs (EHP), Priority Partners

**Type of Change:** Process

**Explanation of Change:**

EHP and Priority Partners are pleased to announce a partnership with ProgenyHealth, a company specializing in neonatal care management services. ProgenyHealth's care management program will enhance services to our members and support our mission to make a lasting difference in our members' lives by improving their health and well-being.

Under the agreement that begins May 1, 2022, ProgenyHealth's neonatologists, pediatricians and neonatal nurse care managers will work closely with the NICU facility, EHP and Priority Partners members, as well as attending physicians and nurses, to promote healthy outcomes for EHP and Priority Partners' premature and medically complex newborns.

Benefits of this partnership to your patients:

- ProgenyHealth will ensure a smooth transition to the home setting, assisting with inpatient review services and the discharge planning process.
- Families will have a dedicated case manager who will give support and education to members in the program.
- Patients will be able to access an extensive online library and an "on-call" staff member available 24/7.
