

FINDING YOUR APPOINTMENT

THE SKIP VIRAGH OUTPATIENT CANCER BUILDING

201 N. BROADWAY
BALTIMORE, MARYLAND 21287
410-955-8893

WELCOME!

The Skip Viragh Outpatient Cancer Building provides all of the state-of-the-art services for your cancer care and treatment together in one place. Here we provide clinical services to patients with solid tumors such as breast, colon, pancreatic lung, prostate and bladder cancer. You will see your oncology provider, receive treatments, have radiology and laboratory testing and much more. Additional services include patient education, spiritual care, cancer rehabilitation, and breast health, nutritional counseling and fitness evaluation in the Under Armour Breast Health Innovation Center.

As an integral part of the Johns Hopkins Sidney Kimmel Comprehensive Cancer Center, the Skip Viragh Outpatient Cancer Building is the embodiment of team science and precision medicine. Clinicians and researchers are working side by side to remove all barriers to attacking cancer and bringing the very best treatment plan and supportive care to each patient. This Patient Guide will answer many of the questions you may have. If you have additional questions or concerns, please contact us directly at 410-955-8893.
