WHERE DO I PARK?

Main Entrance Options

Drive into the main entrance at 201 North Broadway. There is a patient drop-off area at the front doorway with comfortable seating in the lobby. The parking garage entrance to the Orleans Street Garage is straight ahead. You will find designated parking for Viragh patients on this level with additional parking throughout the garage.

Orleans Street Garage

You can also enter the Orleans Street Garage from Orleans Street (directly opposite the Main Hospital entrance). Once in the garage, park and go to the 4th floor of the garage via the elevators. A striped walkway through the garage will connect you to the Viragh Building mezzanine level. Proceed down the elevator to the Visitor Lobby to check-in. Please note that valet parking is not available at this location.

Weinberg Building Garage

If you choose to park at the Weinberg Building garage, you may access a shuttle for transportation to the Viragh Building. Our staff at the Weinberg Building information desk will be happy to assist you.

HOW MUCH IS PARKING?

WHERE DO I PAY?

Parking costs will depend on the length of time you utilize the garage. However, discounted parking coupon booklets are available for purchase at the Welcome Center in the Viragh Building and the Weinberg location. Pay for parking at one of the pay stations before exiting the garage.
